Shown above are a few of Miss Hurlbutt's staff who spent many hours checking and filing names of W.T.H.S. graduates now in the service of our country. Left to right they are, seated: Eunice Firchow, Katherine Kraushaar, Doris Ohlstrom, Olga Perez. Standing: Miss Hazel Hurlbutt, Robert Cook. Among the many other students who helped are Lillian Van Geem and Matilda Sekulich who worked last year.

Maintain Honor Roll for Grads In Service

More than 3600 graduates and former students of Waukegan Township high school have entered the service of their country during World War II. As this goes to press in May, 24 are missing, 10 are prisoners of war, and 87 have paid the supreme sacrifice. The young men and women still in active service are stationed all over the world and are doing a fine job of fighting this war.

In honor of these men and women, Waukegan Township high school has established a service honor roll. At present there are 3,644 names on the roll. The original service roll bulletin board in the Junior corridor has been expanded into three separate sections, and all these are now about full.

The painstaking task of keeping the service honor roll up to date is in the hands of Miss Hazel Hurlbutt and Mr. Veairnell White, and their student committees. The information for the roll is obtained from draft board officials, school authorities, newspapers, and from the families and friends of those in service.

Each new name is posted in alphabetical order on the roll. When a man or woman is reported missing, or as being a prisoner of war, a notation is made next to his name. When a person is reported killed, a gold star is placed after his name on the honor roll. There are 87 gold stars on our roll to date.

Because of the many changes in the honor roll, errors may be made which cannot be immediately corrected, but the committee does its best to keep the honor roll authentic and up to date.

To the teachers and students who have unselfishly spent hours of time and patient effort in maintaining the School's Service Honor Roll, the high school extends sincere thanks. It is a patriotic service the value of which will increase with the years.

Administration

and

Instruction

That We May Grow . . .

W. T. H. S. is in the midst of many changes designed to help make a good school even better.

The Student Council has been reorganized in order to give the students more opportunity to participate in the determination of school policies. The Pepper's Club has been organized and other steps taken to increase school spirit. A social Committee has been elected to enable students to help plan the social life of the school. The Planning Commission comprised of student, faculty, parent, administration, and Board of Education representatives has been organized to discuss and plan general school policies. Public speaking and dramatics have been accorded full credit status. Aviation mechanics has been added as a new course. The school offices have been remodeled and the administration reorganized. Guidance services have been expanded and improved.

Now we must move forward with some of the plans that have been made for next year.

The class periods will be lengthened in order to provide more supervised study. All courses will be accorded full credit status and the graduation requirements revised accordingly. Selection of courses will be made on the basis of student needs rather than by separate curricula requirements. All students will receive the same type of diploma at graduation. The ninth grade program will be completely changed to provide better for general education, orientation to the school, and self-appraisal of interests and abilities. Guidance services will be further expanded. Social activities, including a boys' clubroom, will be planned for improvement.

Outside the program of the regular day school, the night school program was greatly expanded this year. Credit towards high school graduation has been provided and two semester's work offered instead of one. A summer school will be provided this summer at the high school to permit enrichment of programs, make-up of failed work, and acceleration. Next year, the night school for adults will be further expanded, particularly with the needs of returning veterans in mind.

What of the future beyond next year? Prophecy is always dangerous, but certain trends seem desirable. A Junior College program needs to be developed not only to provide two years of college training in the Waukegan-North Chicago community, but more important, to add terminal courses for more mature students planned in cooperation with local employers. There are also building needs that will need to be met. A new auditorium, additional physical education facilities, new space for fine and speech arts, and new home arts facilities are among these needs. Other matters will naturally come to attention as time goes on.

That we may grow — that is our motto. We must never be satisfied with present achievements. To make this possible will require cooperation from students, faculty, and community alike. This must be a very outstanding school; we will not be satisfied with less.

The High School Board of Education

MINARD E. HULSE
President

Elected by the citizens of the Township, the High School Board of Education has general charge of the administration of the High School. Under the leadership of Minard E. Hulse, who has served as president for the past five years, the High School Board of Education has pursued a decidedly progressive policy instituting many changes designed to place W.T.H.S. among the leading schools in this section of the country. Mr. Hulse retired from the Board last April. He was succeeded by Bernard Decker, who has already served as a board member for several years. Board members are elected for three-year terms. The president is elected annually. The secretary-business manager is hired by the Board.

MEMBERS OF THE BOARD, left to right, top row: Casper Apeland, Mrs. Evelyn Bairstow, Morris Blumberg, Bernard Decker, Joseph Drasler. Middle row: H. M. Fisher, Dr. Andrew Furlan, Mrs. Ruth Hathorne, Joseph Lewandoski, Robert Needham. Bottom row: Michael Pucin, Dr. Harry E. Sagen, Ernest Sirvidas, Mrs. Fredrica Smith, Warren G. Siver, secretary-business manager.

Here's To An All-School Service Staff

THREE cheers to the schools' silent partners, the maintenance staff! From early in the morning until late in the evening they work hard to keep our school in the best of condition. Now that night classes are in session their day is even longer and more tedious. Jobs such as fixing leaky radiators, broken desks, door jams, lights and window shades are routine with them. Cleaning the corridors and rooms, setting up the chairs and the stage for assemblies, keeping the walks and steps cleared of ice and snow during the long cold winter, and maintaining the lawn at its best throughout the rest of the season are tasks done as if by magic by the patient members of this capable organization. "Call for the janitor!" has become the by word in all emergency cases such as forgotten keys and broken lockers. Then too, they keep the buildings well-lighted and warm for dances, basketball games, plays and various other school activities.

This staff spends the summer in reconditioning W.T.H.S. for the new school year. While we are taking part in swimming, golf, tennis, baseball and the many other wonderful things vacation offers us, they are busy varnishing desks, waxing floors, painting rooms and doing all the necessary jobs requiring their attention.

This able group, headed by Mr. Wm. Will, maintenance engineer, in general charge of the buildings and the grounds, deserve three cheers and more in acknowledgement of the fine service they daily rendered the school. In truth, they are the indispensible crew of workers who are always at our service.

Salute to the Class of January, 1945

WITH a total of 93 graduating seniors, the class of January, 1945, was the second smallest to graduate from W.T.H.S. in the fifteen years since mid-year graduations were instituted. An important feature of the class, and one of which its members are justly proud, is the fact that as a class, the average grades were one whole percent higher than that of any previous group.

Class Day, something really new, was introduced to the "Home of the Bulldogs," by this group, and it was a huge success. Instead of having the regular Class Night, with a skit written with the sponsors' help, a new idea was presented At two o'clock in the afternoon of January 23, the Senior A Class of W.T.H.S. held Class Day, an assembly for the entire student body and invited guests.

Class Day came right on the heels of the Senior Play, "And Came the Spring," which was a riotous success.

Graduation was a night to forever be remembered. A night to live firmly impressed upon the hearts and memories of 93 students, and their parents, relatives, and friends.

Instead of the usual guest speaker, again something new was introduced. Five student speakers spoke on the general theme of "In This We Believe". The money saved by having these student speakers was used to help pay for the new loud speaker system in the gym. This class was the first to help in the financing of this new project.

The diplomas were presented after a short dedication of the class by Dr. Trump, amid the usual "ohs and ahs" as each favorite received his little "sheepskin". Maurice Aegerter, the valedictorian of the class, was rather unavoidably detained at Great Lakes Naval Training Station, where he was a "Boot", so Peggy Fisher, salutatorian, received her diploma first.

After graduation, many of the seniors went to the gala "Hop." There were parties before, during, and after the event, and everyone had a superb time, climaxed by the Hobo Rally the next morning. All these events helped make this class' sojourn through W.T.H.S. one of the most enjoyable of any to graduate from "These mantled walls in ivy clad."

Class Officers

Bob Powell, *President*

Gloria Mayer, *Secretary-Treasurer*

Tom Kittell, *Vice-President*

Here's to the Class of June, 1945

HERE'S to the June class of 1945 and their four years of outstanding achievements. Bob Powell was elected to serve as president for the third consecutive year; Tink Kittell served as vice-president; and Gloria Mayer was re-elected as secretary-treasurer. Not only do the officers receive a lot of credit for the success of this class, but so do also Miss Irene Sexton and Mr. M. G. Thompson, class sponsors.

Among the outstanding students for their scholarly achievements were Ruth Rusche, Valedictorian, and Paul Lujanac, Salutatorian. The class was represented in many clubs and activities. Richard Tonigan was always there to preside over Student Council meetings and introduce school assemblies. When Dick wore a suit and tie to class we knew there would be an assembly! Mary Lou Thompson was active in Girls' League, and Dick Kreig worked hard as president of the Red Cross.

On the "W" World staff Gertie Siegel and Mary Louise Taylor, co-editors, worked to meet the deadline each week, not to forget Elinor West, the "gossip getter" for the paper.

The motto "to do the right" guided Dolores Sitler and Marge Mann in their outstanding work in Girl Reserves, and on the Debate team Louise Tonigan and Philip Worack could be found accentuating the positive or negative. Bob Campbell and Jill Woodward could often be found consulting Mr. Hurd about Sr. History Club activities. Speaking about this club, Jackie Burkey did a super job in directing "Globetrotters," the History Club variety show.

Jacqueline also took part in many of school plays, and Elsie Cory and Rosemarie Hofflander were always outstanding thespians of the class. A salute to Lieutenant Charles Grosche and Honorary Lieutenant Colonel Elsie Cory.

In the sports world Bob Runyan and Willie R. Kennedy were highly versatile. Other sports heroes from the class were, in football, Tink Kittell, and Issac Coles; basketball, John Pucin and Bob "Dumbo" Shea, who was chosen the most valuable player; swimming, Jack Fries, Henry Warnecke, and Bill Leatherman; track, Dick Tonigan and Don Daluga; and baseball, Bob Therry, Jerry Schueneman, and Elmer Pacenti.

Behind the class are now many pleasant memories of days at W.T.H.S. and before lies a future of new experiences and new tasks to be accomplished.

Next In Line, January Class of 1946

"Good things come in small packages." This aptly fits the January class of 1946, for they have done much in spite of their small number. Chosen to lead this outstanding class were Bob Jones, president; Dave Soderquist, vice-president; and Mary Lou Moore, secretary-treasurer.

Remember the dance after the Morton game? Leave it to the 4B's to sponsor the most successful event of the season. And how could anyone forget the all-important Junior Prom? "Moonlight and Roses" is a name that will linger long in the minds of our classmates. Shirley Barland was 3B chairman of this gala affair.

This class has been prominent in many different activities. In the field of sports we have Bob Jones, Paul Kaiser, Bert Ruck, Roy Ross, Dave Soderquist, Mike Martinez, Jack Henderson, and Ed Streed, all hard-working "Bulldogs" for W.T.-H.S. In dramatics are Jackie Isaacson, who played the fiery Pat Conlin in "Cry Havoc" and Pat Hill who portrayed the Nazi spy in the same play. In the field of music, talent is also abundant. Everyone has swooned at one time or another to the voice of Jack Henderson, better known as "Cobra," and marveled at the mellow voice of Shirley Puckett.

Showing leadership in various clubs is another of the merits of the class. Marilyn Henry held the gavel at the Girls' League meetings, and her co-workers worked hard to make the club a success.

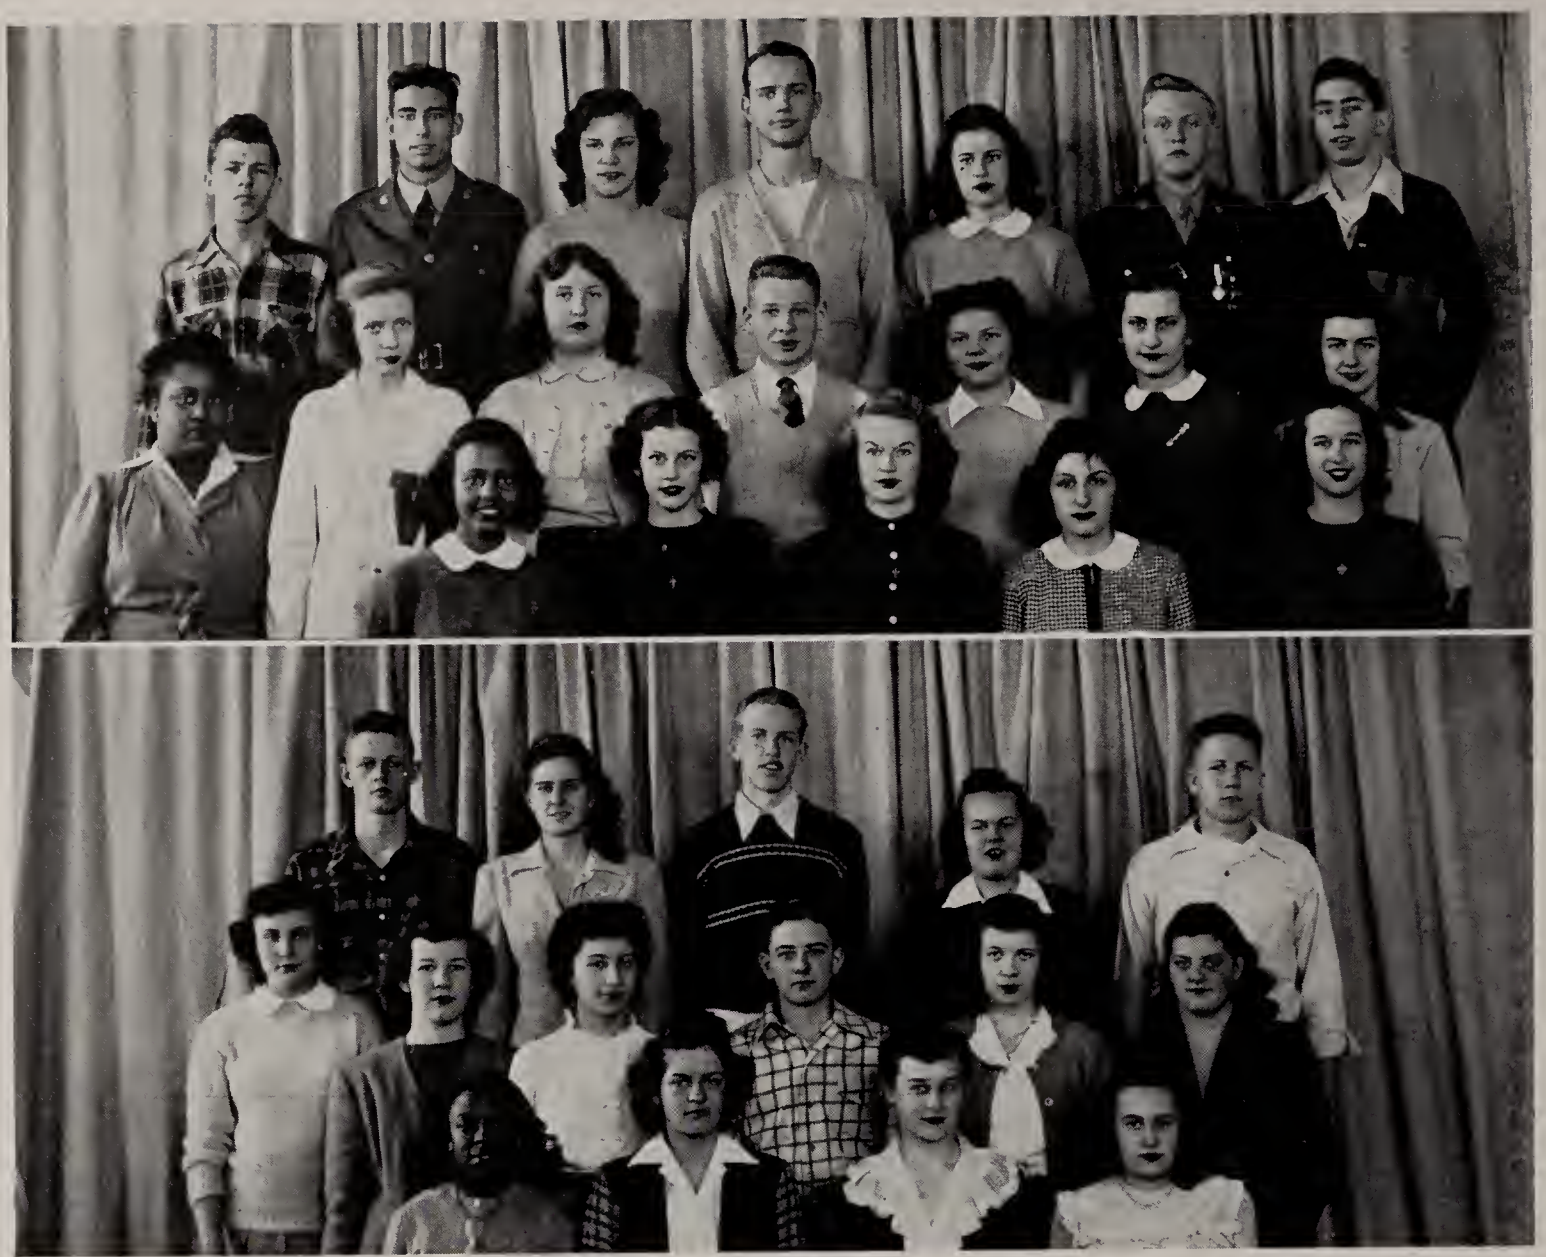

Virginia Braun is the class council representative and all the business of the class is carried by her to the Student Council meetings. Two people who should be given special mention are Miss Melba Reid and Mr. J. I. Lockhart, who have kept plugging for the class since they became the sponsors. Much of the success of the class activities has been due to their spirited co-operation. Here's to a good record in the past—and an even better future.

Three Down, One To Go, June, 1946

OVERFLOWING with pride and admiration for their group, the members of the class of June, 1946, set forth last September to launch their memorable Junior year, their last lap before graduation.

To lead such an outstanding class, capable and reliant officers had to be elected. After the formality of traditional petitions, ballots, and campaign speeches, Melvin Holden was elected president; Faye Cannon, vice-president; Lois Flament, secretary; and Sophie Evans, treasurer.

For a class abounding in unity, leadership, and under the able sponsorship of Mrs. Harriet Terry and Mr. Glen Anderberg something was bound to happen—and it did on February 17. An all-school dance called "Cupid's Caper" was held in the school gym by the class. Thumbing through the class date book, May the fifth stands out from the other dates, for this was the day of the Junior Prom. Mary Stevens, prom chairman, and Gwen Howell, the decoration chairman, and their hard working committees, played a big part in making this year's Prom the most successful promenade held in the history of W.T.H.S. Dancing to the melodious music of Lew Diamond and his orchestra in a setting of sidewalk cafes and gardens, was an incentive to the spirits of the gay crowds.

This class excels in many fields. Representing it on the basketball team were Jim Elsbury and Ken Marqui; Larry Hanzel was in there fighting during the football season; and making a lot of splash for the W.T.H.S. tankmen we found Larry Jenewein and Arnie Solis. To spur these boys on to victory, and to keep the crowd in fighting spirit, nine cheerleaders came from this notable class. It would not be complete if we omitted the brilliant works of artistry in the band, chorus, dramatics, and art.

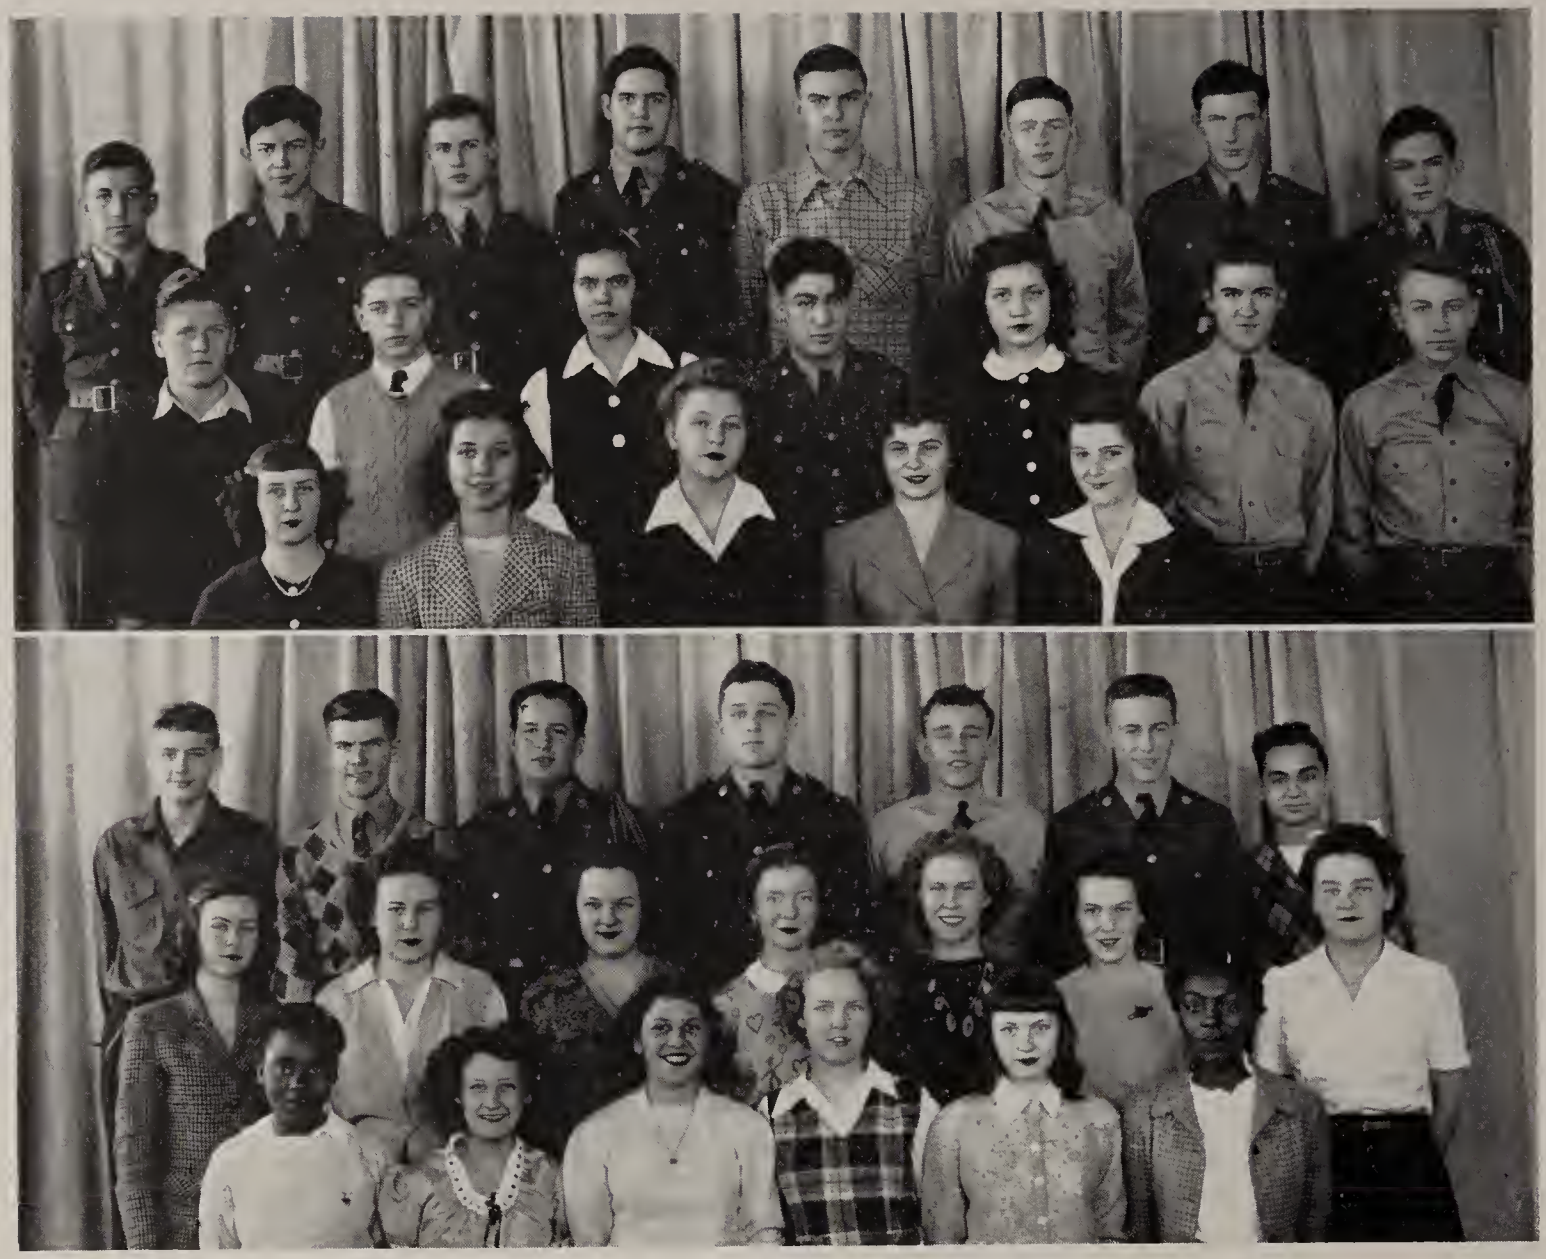

Who can say but that this class is destined to be one of the best ever graduated from Waukegan Township High School.

Class of June, 1947: Bruce Kaufman, president, Virginia Pavlik, treasurer. Russell Hart, vice-president; Lorraine Sandberg, secretary.

Meet the January Class of 1947

HERE we have the midyear class of January, 1947, who have achieved the half way mark in their high school career. Although the class is small in number, it has many capable students in all fields of activities and studies. Their class officers for this year were John Branstrator, president; Robert Dalton, vice-president; George Clark, secretary; and James Blumberg, treasurer In the field of sports one name is outstanding, Dave Allen. He was one of the chief mainstays of the famous "Bulldogs".

The 2A party was one of the main events of the year for this class. It was held in the old gym on December 16.

This small but loyal group of W.T.H.S. students have contributed much to the success of the school. The co-chairmen of the class are Miss Eva Oke and Mr. Howard Annis, and with the co-operation of the home room teachers this class has no alternative but to advance and be noticed.

On the Way, June Class of 1947

A LARGE and active group is the class of June, 1947. Already they have made a fine showing for themselves in the two years they have raced down our hallowed halls. Aways striving for bigger and better activities, this class is certain to contribute something outstanding to their school before they receive those favored diplomas.

For class officers this year, the sophomores made a wise and favorable selection in choosing Bruce Kaufman for president, Russell Hart for vice-president, Virginia Pavlik for treasurer, and Lorraine Sandberg for secretary.

Outstanding in athletics for this class are Russell Hart and Johnny Simcic. In scholastic achievements, Joanne Erickson, Mary Nibbe, and Jean Barnstable lead the class.

The co-chairmen for this class are Miss Myrtle Greenleaf and Mr. George Waldorf who, along with the other home room teachers of this class are guiding them steadily toward graduation.

Mid-Year "Freshies", January, 1948

THE class of January, 1948, under their sponsors, Miss Ruth Corbin and Mr. Earl Giffin have had a very successful year on their way toward obtaining a high school education.

This Freshman class was well represented in the many extra-curricular activities of W.T.H.S. A large number of students participated in sports activities. On the Frosh-Soph swimming squad were Tom Watson, Larry Benson, and Chuck Freedman. The Spanish Club, Girl Reserves, Peppers' Club, and Girls' League held the interest of many Freshmen. The History Club also attracted much interest with Chuck Freedman a member of the board. Jim Barnes and Joyce Brenaman are Student Council representatives. The band claims Dick Pearson and George Minkler, while Mildred Rubinson and Gerry Tannahill are the cute Baton majorettes.

The capable class officers are: Audrey Tindale, vice president; Tenho Hukkula, president; and Sylvia Hofflander, secretary- treasurer. The highlight of the class social season was the Sleigh Ride party last December, with dancing afterwards.

Introducing the 1948 June Class

THE class of June, 1948, of W.T.H.S. is a very well organized group. The members of this class have taken an active part in many school activities. Miss Ruth Cunningham is chairman of this group, assisted by Mr. Walter Barczewski, and the Freshman homeroom teachers.

Otto Tennyson, William Pucin and Leo Briseno, captain of the Frosh basketball squad, are the athletes of this class. Sophie Ulicki and Anita Kirtsinger are interested in dramatics. Musically inclined are Jack Collins and John Hodnik.

The officers for this year were: president, Ambrose Savage, vice-president, Jack Collins, secretary, Caesar Kalinowski, and treasurer, Doris Nibbe.

Of course the greatest social undertaking of the group was their class party, with the officers acting as co-ordinators to see that everything ran smoothly. With the party chalked up as their first success, this spirited group with its original ideas promises to climb the ladder to success at W.T.H.S.

Student Council Reflects WTHS Ideals

The purpose of Student Council is to provide an organization, governed by the student body, which will concern itself with all school activities, interests, and problems. It is impossible to have each student a member of Council, but he has his direct Council representative, elected by his class group. Through the elected representative, individual and group opinions and desires can be made known. We in this school, and in this nation, believe in such representative government.

Our Council is made up of the following representatives; four officers, chosen by the student body at large; four general chairmen, Booster, Social, Victory, and Hall-monitor, also chosen at large; eight representatives plus one eight o'clock representative, elected by their respective classes. Each of these students serves a term of one year. Student Council meets three times a week, the last period of the day, in the room of the sponsor, Miss Eleanor Moore.

There are nine class councils. These are made up of one representative from each homeroom within the class. The class councils choose their own chairman, who, in turn, is a member of Student Council. The chairman calls regular meetings of his class council to inform them of decisions of Student Council, and to gain a knowledge of their opinions and proposals.

The activities of Council for the year 1944-45 have been many and varied. Early in October, after having met with Dr. Trump for purposes of reorganization, the officers and sponsor met with each class group in school to explain the newly organized Council. Also in October, Council conducted a poll to choose a nickname for our athletic teams. Since then, "Bulldogs" has come to symbolize victory and sportsmanship of highest quality. In February, our Hallmonitor chairman, Mary Lou Moore, led the Council to social success through a dance, the "Penguin Promenade". The month of March gave Secretary Gertrude Siegel an opportunity to sponsor the Foster Parent Plan for War Orphans among the students . As a result, Waukegan High School is the proud parents of two war orphans. All School assemblies have been presided over by president, Richard Tonigan.

A V-E day program was planned by Albert Nibbe and Richard John. April marked the election and installation of officers and general chairmen for the year 1945-46. The successful candidates were: president, Robert Hegel; vice-president, Arne Solis; secretary, Mary Stevens; treasurer, Faye Cannon; Hallmonitor chairman, Robert Dalton; Social chairman, Beverly Simmons; Victory chairman, Dolores Kreisel; and Booster chairman, Lois Flament. A most impressive general assembly was held at which the newly chosen officers were administered their oath of office. Courtesy and Cleanup campaigns were combined this year. Paul Laster and Gertrude Siegel were chairmen of these important activities. Pride in school appearance and personal good manners were stressed. Orientation day for next fall's entering freshmen was a most vital Council activity of which Roseanne Avila and Joan Mayer were co-chairmen. The Social committee made up of Charles Franz, John Fucik, George Clark, Robert Hegel, Patricia Hill, Phillip Leatherman, with Audrey Tindale and Mary Nibbe serving as co-chairmen, planned next year's social events. Miss Grace Rundquist advised this group. All of the Council officers served on the school Planning Commission. One of the final activities of Council was the contest held for school-improvement suggestions. Cash prizes were given to those students whose suggestions were judged most worthwhile.

Student Council reflects the ideals of the entire school. It is an ever growing, ever improving part of school life. It is the vortex about which all school activities revolve.

Honor Society Membership Is Top Award

Scholarship, service, leadership, and character are the ideals of this organization which is affiliated with the National Honor Society with branch chapters in high schools throughout the country. The Waukegan chapter has now been in existence for more than a decade. Election to the Honor Society is regarded as the highest honor which the school can bestow upon a student.

In accordance with the provisions of the constitution of the national society, candidates are selected from among the upper third of their class on a scholastic rating basis. These candidates are then eligible to election by the faculty, or by some designated committee qualified to judge them on the qualities of Service, Leadership, and Character. On the basis of the above procedure not more than fifteen per cent of the members of any one class are eligible to election to the Society.

Initiation into the Honor Society in keeping with the national organization's regulations is climaxed by an impressive candle-lighting ceremony in which selected members of the Society explain the ideals of the organization to the newly elected group.

Fourteen members of the mid-year class of January, 1945 were honored by election to the society. The following were inducted in the spring of 1944: Peggy Fisher, Melvin Fredbeck, Mary Louisa Nies, Florence Pavlik, Morton Rubinson, Shirley Smith, Jean Thayer, and Joan Tiffany. The six other members of the class who rated membership were inducted during Class Day exercises in January, 1945. They were: Maurice Aegerter, Jacqueline Petter, Patricia Plier, William Smart, Joan Wolter, and Lillian Yellen.

Effective during the second semester of the school year 1944-'45 the requirements for membership in the local chapter of the Honor Society were somewhat altered. Admission was opened to the upper 15 per cent of the graduating class of June, 1945. The committee in charge submitted the names of all students in this classification to the faculty for their approval. The forty-nine boys and girls in the June class who were honored by admission to the Honor society were:

Alexander, Clarence
Beres, Joseph
Burckle, Barbara
Cantrell, Gail

Inducted at the same time were nine members of the class of January, 1946. They represent the upper 10 per cent of their class. Present plans are to make an additional group selection from this class before they are graduated next January. The members of the January, 1945 group who are now members of the Honor Society are:

Elizabeth Apeland
Virginia Braun
Samel Denton
June Erickson
Marilyn Henry
Pat Hill
Mary Lou Moore
Margie Nali
Mary Kate Yntema

Victory Council Is School Service Group

W.T.H.S. has another new club added to its long list of extra curricular activities, and it's the Victory Council. The purpose of this newly organized club is to promote stamp and bond sales in the homerooms and to participate in other civic activities. The group meets regularly Period A on the second and fourth Mondays of each month. The requirement to be met for membership in this club is to be elected as representative by the homeroom. The body chooses one member to represent them in the Student Council.

One of the activities which was carried out this year was the Tin Can Drive, which was open for 15 days. A majority of the homerooms did very well in this and the $3.00 award was given by the Office of Civilian Defense to the three homerooms bringing in the greatest number of tin cans. Jr. 227 brought in a total of 2,012 cans, winning first prize, Jr. 231 brought in 1,777 tin cans capturing second prize while the cafeteria came in third with 1,634 tin cans.

The Waste Paper drive, sponsored jointly by the Red Cross, was another special plan. With a goal set for 30 tons of paper students set to work to reach that goal. There were three different prizes; first the individual prizes which were awarded to the students who brought in the most paper. Ed Gustisha brought in 2,189 pounds and won first prize, a season basketball ticket; George Groat won the $1.00 war stamp prize for bringing in 841 pounds. Special prizes were awarded to the homerooms bringing in the first ton. Mr. Piquette Jr. 30 received first prize, a 3 pound box of candy; Jr. 345 won second prize, while Sr. 209 won the 1 pound box of candy. Prizes were based on the percentage basis for the most. Mr. Hurd's Sr. 209, which collected 7,680 pounds, winning $5.00; Jr. 30 won the second prize of $3.00 for the 4,000 pounds collected, and Jr. 346 won third place from 3,394 pounds. Mr. Hurd's room made an effort to put their room over by driving a truck around town and collecting paper. They stored all the paper in Mr. Hurd's garage and then one day they had a paper tying bee and after completing the work they had refreshments. The super special award was given at a general assembly at the close of the drive. Four outstanding members of the faculty sang; they were Mr. Hurd, Mr. Graham, Mr. Fortier and Mr. Klauser. The proceeds of the drive were used to buy equipment for wounded service men in the hospitals all over the country.

Then there were the War Stamps and Bond Sales for which a goal of $51,000 was set at the beginning of the year. Victory Council representatives in each homerooms are in charge of the sales on Tuesday and delivery on Wednesday. The sales included the selling of bonds and stamps outside of school. The Sixth War Loan Drive was co-sponsored with the Jr. Red Cross and the Seventh Drive was also initiated before the close of the school year.

A clothing drive was also sponsored by the Victory Council.

The first semester officers of the new Victory Council were Albert Nibbe, president; Marlin Solis, vice-president; and Kathryn Swanson, secretary-treasurer, while the second semester officers are Johnny Simcic, president; Gerald Dietz, vice-president; Doris Nibbe, secretary-treasurer.

Monitors Maintain Orderly Corridors

Here we have one of the most useful organizazations in school, the Hall Monitors. It is their duty to see that the halls are kept orderly while the classes are in session. Each monitor checks the lockers, picks up bits of paper, and keeps order in the halls by refusing to permit a student to reach his destination without a pass.

This well-organized force consists of a group of hall monitors for each period every day with a foreman to direct them and a hall monitor chairman to head the foremen. This organization is a branch of the Student Council and the hall monitor chairman who is elected automatically becomes a member of the council. Hall Monitor Chairman for this year was Mary Lou Moore and vice-president was Pat McManaman. Bob Dalton was elected as next year's chairman in an all school election.

If one desires to become a hall monitor, he must be at least in his second semester of school and his grades must average an 80 or above. Mrs. Martin is the faculty sponsor and gladly accepts students who meet these requirements.

As a rule, the Hall Monitors do not sponsor any activities for the school. However, this year they did sponsor a spring dance, with the novel title "Tu-lips". On April 6, in the high school gym, at 8:30, all the little hepcats in school gathered in "Tulip-town" for an evening of dancing pleasure. Lenny Jadrich's orchestra played for this affair, so naturally it was a huge success.

Bob Dalton and Volga Popoff were the co-chairmen for the dance, and Dolores Terlap and Pat Booth designed the darling green and yellow tickets. The Hall Monitors have established an organization to be proud of. They are known for their dependability, and helpful service.

Here's An All-School Girls' Organization

One of the most active clubs in W.T.H.S. is this all-girls organization, Girls' League. Every girl in school is eligible to belong. Just come to the meetings and sign up. There aren't even any dues required, and the friends you meet and the fun you have is well worth while to you. This club has a full calendar every year, and one activity or another is in process all the time.

The big event of the year was the Penny Carnival, sponsored jointly by the Girls' League and G.A.A. Weeks were spent in planning concessions, purchasing materials, prizes, and what-not, and working on side shows. On the morning of the big event the gym is filled with girls, all clamoring for crepe paper, nails, and hammers, setting up chairs and tables, and chattering like magpies all the while. Jean Robertson was the capable chairman for this affair. That evening, the gym was a miniature carnival, brightly decorated, and fascinating to behold. Bingo, The Pair Tree, House of Marvels, Wishing Well, and Blind Date Bureau were just a few of the many different concessions. A Bathing Beauty Contest was held (all the beauties being the handsome he-men of W.T.H.S.) and Harry Hall walked off with first prize and the title "Miss Bulldog of 1945". The climax of the evening was the crowning of the kind and queen. Melvin Fredbeck won the title of king, and the honored queen was Donna Perry. Chuck Petter was selected prince, and Volga Popoff, princess.

The regular meetings of the club are held every first and third Thursdays of the month in the Girls' Clubroom. After the business meeting is over, an interesting program is given. Sometimes it is a comical skit worked out by a group of club members, and sometimes it is a speaker, but no matter what it is it's bound to be entertaining. Once in a while the club puts on something special like the transfer girls party or a pot luck supper, or the Turn-About Dance. That Turn-About Dance was a novel affair, with the jills asking their jacks in for an afternoon of musical entertainment, given out by the old maestro, "Master Juke Box" himself.

Another social event sponsored by this industrious group was the College Day Program, where members of the club modeled college co-ed creations.

The biggest event for the spring season was the Mother and Daughter Tea, held on April 24, in the clubroom. Besides serving tea, a style show was held, at which Heins exlusive clothes were modeled.

As a school activity, the Girls' League sponsored, set up, and run the Lost and Found Department, which is so helpful to all of us who keep misplacing our belongings.

One of the things that the girls strive for is to earn enough points to attend the Annual Girls' League Conference. Points may be earned by attending meetings, working on committees, and helping in the Lost and Found Department. This year the conference was held at Proviso.

League Council Is Steering Committee

The Girls' League Council is composed of a representative from each home room and meets every second and fourth Monday during the home-room period. At this meeting, plans are foretold and the representatives report the coming events back to their homeroom.

The officers who so successfully led the club this year were president,Marilyn Henry; vice-president, Mary Lou Thompson; secretary, June Erickson, and her twin sister May, treasurer. The work this organization does in developing school spirit, encouraging social activities, and developing training in social graces is beneficial to all its members.

Jr. Red Cross Stands Ready To Help

The Jr. Red Cross Club is an organization of Waukegan High that has dedicated itself to these purposes: to aid the needy in our school and community; to develop goodwill among perosns and nations; and to contribute all in our power to promote the war effort. During the past semesters, these aims have been carried out through the supervision of our sponsors, Miss Vera Jerg and Miss Lucille Heaney.

The officers for the year 1944-45 were: president, Richard Krieg; vice-president, George Drysdale; secretary, Dolores Sitler; treasurer, Jane Schlung; program chairman, Mary Lou Taylor; and U.S.O. chairman, Stella Jane Neil.

The Junior Red Cross Clothing Drive was held in December with Lorraine Francke and Dolores Cepon as co-chairman. The clothing was sent to the Kentucky family who sent holly and mistletoe to the Junior Red Cross to make into boutonneirse and sold to the students.

The Woodshop classes of Waukegan Township High School under Mr. Dalton's direction have made canes for the Red Cross to be distributed to the hospitals for war veterans in the United States.

The March of Dimes was also a great success. The students and faculty turned in a grand total of $261.49 to the March of Dimes. In the homerooms $169.10 was collected, while at the New Trier basketball game the girls gathered $93.31 in sheets.

Under the supervision of the school nurse, Miss Berger, the Junior and Senior girls have been rolling dressings for soldiers overseas. A paper drive was also sponsored from November 6 to 17.

They Helpícize All School Events

Yes, Siree, one of the most active clubs in school, yet one of the smallest, is the busy Poster Club. We're the dabblers in paints and glues, who help glamorize the bulletin boards. The many school organizations depend on us for their publicity, and we try to please all of them to our utmost ability. This year has been especially busy for us due to an increased number of social functions.

The very capable officers for the school year are as follows: president, Jackie Petter; vice president, Marilyn Puckett; secretary, Lorraine Lange; treasurer, Dolores Mitchell. With the graduation of Jackie in January, Marilyn automatically became acting president.

Joan Jackson does a splendid job in writing up "Poster Prattle" for the "W" World.

Members agreed that as the club had earned some money, what could be more worthy than to contribute to the Community Chest Fund; and this we did, as well as to the "Foster Parent Plan."

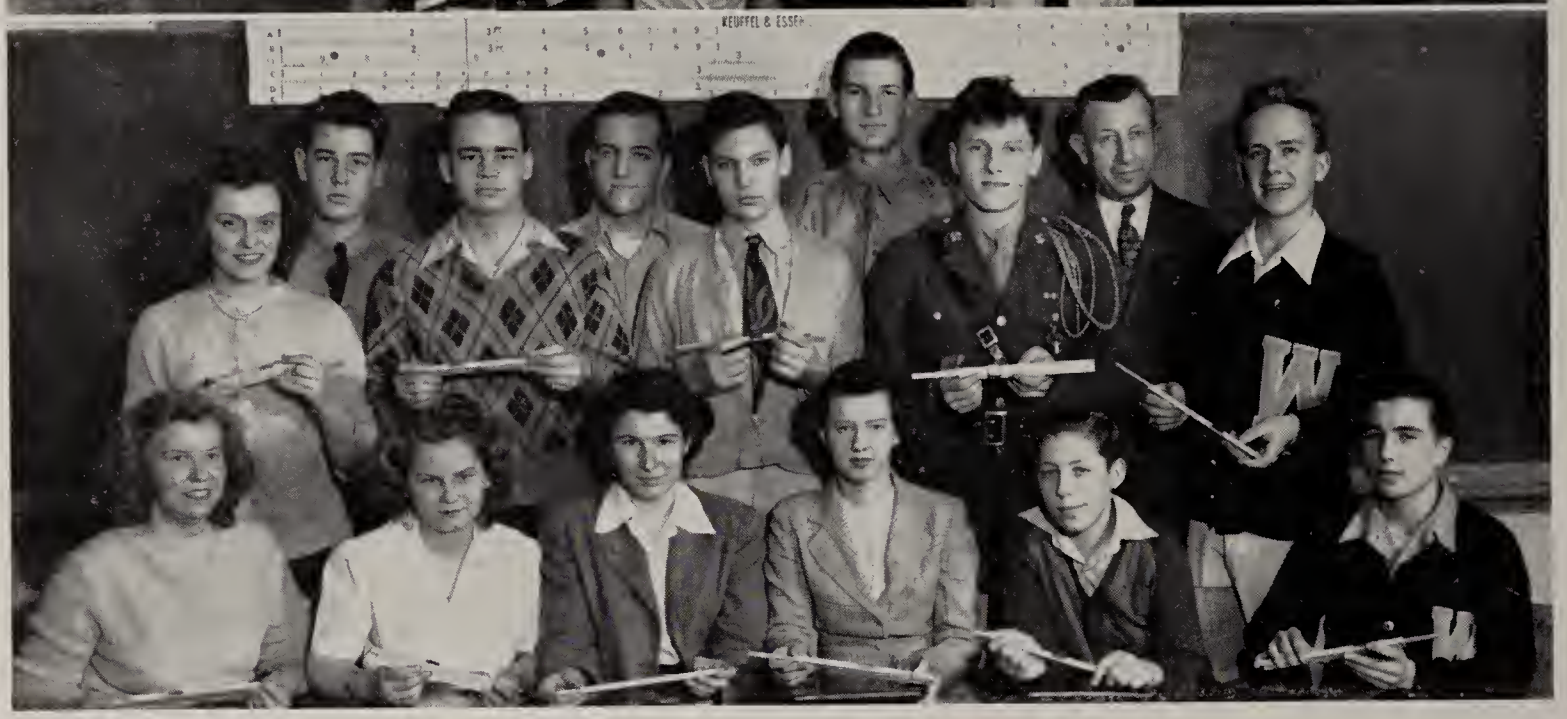

During the basketball season we had a concession, with Lorraine Lange in charge of the check room, and Joan Jackson the refreshments. This was very successful, with profits going toward the "Artists' and Models' Ball," held March 24th.

ctt was general chairman, and her dependable committee heads were Dolores Mitchell, Decoration; Joan Jackson, Publicity; Lorraine Lange, Chaperons; Dolores Terlap, Tickets; and Jean McClure, Entertainment. Lenny Jadrick's Orchestra furnished the mellow music. All in all this was the biggest and most exciting highlight of the year for Poster Clubbers who planned weeks in advance for the occasion. The decorations were perfect, the lights were low, and music was soft. What more could we ask!

This year, as in the previous ones, Poster Club Pins were awarded to those who achieved the stressed number of points. The lucky owners of pins are: Audrey Anderson, Joan Jackson, Lorraine Lange, and Dolores Mitchell.

Plans are under way for the purchase of sweaters to be awarded to members earning a required number of points. A committee is being selected to decide on colors, style, material, and qualifications. So here's your chance to work for something that's really worth while, you clubbers!

Here's The Advanced Slide Rule Club

The need for the fundamentals of mathematics is greater today, both for the present purposes of the war effort and the future promise of an interesting and profitable career, than ever before in the history of our nation. Supplementing the four years of preparatory mathematics the math department offers the Slide Rule Clubs, Beginners and Advanced. Members of the Advanced Slide Rule Club constitute the upper classmen who are students of mathematics.

The purpose of the Advanced Slide Rule Club, which is under the sponsorship of Mr. Walter Barczewski, is to continue the study of the slide rule in the solution of problems involving such things as multiplication, division, raising to a power, extracting square roots, etc., although study is made of all the complicated scales on the slide rule.

This club is definitely not to be considered a recreational club in any sense of the word, but we gave a most successful dance called the "Slip Stick Stomp" Friday, December 15, after the basketball game with Evanston in the W.T.H.S. gym. Also the picnic to Petrifying Springs was a huge success.

This club also creates for the student a broader range in mathematics. Contests of various kinds for speed and accuracy are frequently held to help create further interest in the use of the slide rule. Members are encouraged to use their rules wherever and whenever the opportunity may present itself. Those elected as officers of the club for this year were: first semester—president, J. C. May; vice-president, Bill Smart; secretary, Maurice Aegerter; treasurer, Maurice Aegerter; program chairman, Robert Brown; second semester—president, J. C. May; vice-president, James Prest; secretary-treasurer, Elmer Pacenti; program chairman, Gloria Mayer.

There's Also A Beginners' Group

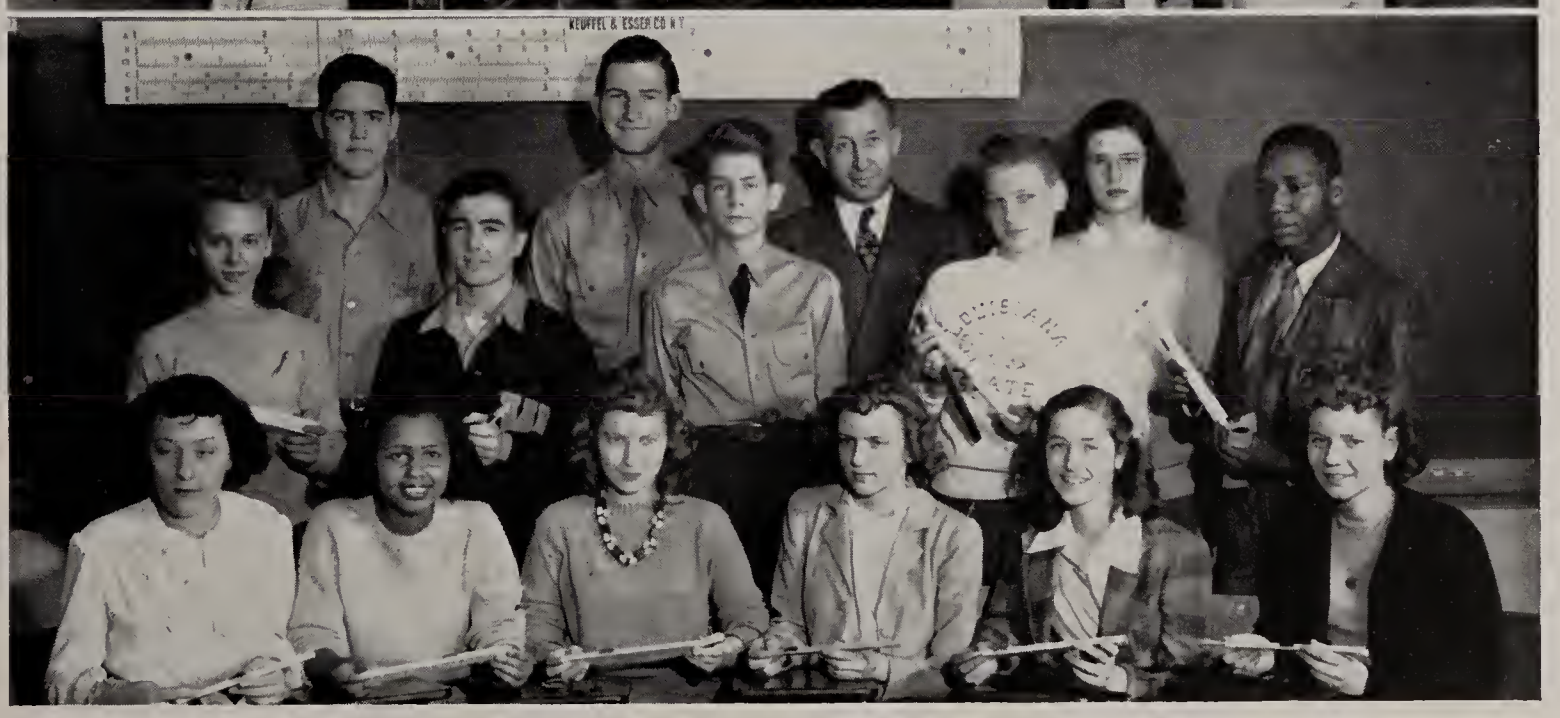

Every Wednesday in room 225, the regular meeting of the Beginners Slide Rule Club is held from 3:15 to 4:00 p. m. Our club is opened for all students who are interested in learning a quick and easy way to solve mathematical problems—and who isn't. The use of the slip stick is not wholly confined to the masculine set, as anyone can learn to operate it efficiently.

After a short business meeting, the students settle down to business. The main function of this club is to acquaint the pupils with the basic fundamentals of the standard slide rule. To become slide rule conscious, the students first learn the various parts of the slide rule and their functions. Then, they study the theory and, finally, learn to read accurately. After these principles are mastered, the students then start calculating simple mathematical problems. All during this first semester of slide rule activities, the beginner learns accuracy in reading and that practice is essential to the attainment of complete efficiency in slide rule operation.

'W' Debaters Meet All Comers

Two shots, a scream, and a dull sickening thud. Waukegan's debate team has triumphed again! Toting the laurels (or blues, depending upon who is quicker to the draw) for the affirmative are Ruth Rusche and Paul Lujanic. Louise Tonigan and Phil Worack pugnaciously defend the negative.

The above mentioned characters are easily recognized by the dull luster of their eyes and their seeming occupation of the loftier spheres of intellect. They are round shouldered and lifeless from weeks spent pouring out their souls over books.

The question this year is "Resolved, that the legal voting age should be reduced to 18 years". Our team team had its first debate with Kenosha in March. From then on the battle cry was sounded. Off to New Trier and Loyola to uphold the fair name of Bulldogs. The affirmative team based their case on the facts that the 18 year olds had as many qualifications for voting as the 21 year olds and that 18 year olds should learn by experience. The negative's case was founded on the fact that young people need practical experience in addition to formal ducation to be an intelligent voter. The debates this year were well attended, since this year's question was of vital interest to the high school student. If this resolution were passed it would give him the right to vote in a very few years.

The debaters felt that the time spent in debating was well worth the time it took to work up a good case. Debating, more than any other subject, teaches the value of analytical and deductive reasoning. Through debating a good stage presence is gained. The importance of being exact and precise in speaking is emphasized. The things learned in debating are those abilities that last throughout life, no matter what work one choosed.

History Club Is Largest School Group

Ah! What glorious accomplishments and marvelous memories rise in our minds at the very mention of the name.

First we think of the Squaw-Beau Hop. A really "Hep" affair. Haystacks (little ones of course!) pumpkins, and all the trimmings to make us all think we were way out yonder. Ooo that orchestra. Peg Boatright and Jill Woodward really out did themselves on the arrangements.

Then there was the meeting which was held jointly with the Spanish Club when pictures of Mexico were shown. They were in color, and really beautiful. A record attendance was scored, and all members of both clubs were very enthusiastic, and hoped to have the gentlman back again soon.

"Yea Bo Northwestern," shouted the history club members at the N. U-Purdue game a-way back in November. The usual tour of the campus, bus and train rides, hot dogs, pennants, "Peanuts, popcorn, candy", etc. *And* the cold, made up a joyful trip for all — even though N. U. did lose. (Don't tell a soul—but some of us were for Purdue. Isn't that terrible?)

But the really big thing of the fall semester was (as if we could forget!) "Scuttlebutt." That mere word sets all our spines a tingle. What luxurious sets, what super-colossal talent, what performances, what ingenuity on the parts of the actory, what revelie, what droll comedy. "Gallagher and Shean" "wowed 'em," and that Injun Mello-Drama sent them rockin' in the aisles. "Cobra Henderson,,' "Frankie Boy" to you, was a *big* hit, and the History Club trio was "solid." Norma June did a magnificent job of directing. Oh, that Brooklyn scene!! Mr. Hurd says each show gets better than the one before, and are we building up something to surmount.

Then, of course, there was the Spring show. We won't forget Globetrotters and with the show we will remember Bob Runyan and Willie R. Kennedy jitterbugging together. The Arabian scene was really on the beam, too!

Other events on the History Club program were the March of Dimes, sending clothes to Piney Woods, and Mr. Polgar, who honest and truly hynotized Bobby Campbell. Can you believe it? Just imagine anyone making Bob do something he didn't want to!

"Midnight Fantasy" really struck the chord, as the best History Club Banquet ever given. They just keep getting better all the time. This one really was a lulu. Mickey Riley looked *so* cute in the nightie, and John Fucik, Pat Uniewitz and T. A. Bob Brown (T. A. means theatrical ability

to you!) had the kids on their ears. Will you ever forget Barbara Gordon's rendition of "Did You Ever See A Dream Walking." Oh, that eerie fog horn! The food was wonderful—but the entertainment! Alumni say they can hardly believe a new and so different show is produced every year. One thing is certain—they'll have to be pretty good next year to beat Midnight Fantasy.

Mr. Hurd, sponsor, certainly keeps the clubbers on their toes. The first day of the new semester, Mr. Hurd was heard to ask anxiously: (and I quote!!) Have any of you got any ideas for the next Spring show? The time is pretty short you know!

(I leave you here while we all take time out for a bromo to quiet our nerves!)

History Club Players Present 'Scuttlebutt'

Another successful History Club show was launched on November 17 and 18, 1944. The director of "Scuttlebutt" was Norma June McHoes. The show was based on the memories of four sailors portrayed by Bud Brenton, Bob Campbell, Steve Chelap, and Morton Rubinson.

The show was divided into four scenes — In the Brooklyn Scene were the following: Alice Crowder, Beverly Simmons, Melvin Fredbeck, Florence Pavlik, Shirley Meyers, Mary Lou Rudolph, Sally Franks, Faye Lindahl, Shirley Haas, Miriam Norby, Elsie Cory, Mickey Riley, Elaine Kreager, and Betty Huber.

In Scene two, the Boarding House Scene, were Gerrie Truax, the History Club trio, (consisting of Jackie Burkey, Mary Louisa Nies, and Mary Lou Thompson), Ronnie Bleck, Carol Jean Gordon, Jill Woodward, Don Head, and Pat Unewitz.

The Vaudeville scene included Can-Can dancers, Joan Tallett, Shirley Smith, Joan Gilmore, Betty Thompson, and those gorgeous bathing beauties, Dick Tonigan, Jack Fries, Eugene De Rue, and Mickey Riley.

Barbara Gordon produced a mellow melodrama. Others in this scene were Betty Phillips, Charlotte Leaf, Rosemarie Kinsey, and a student barber shop quartet. Of course, we couldn't leave out the dear comedians, Bob Jones and Paul Kaiser nor Don Dice, the Irish Indian Chief, nor Phil Durkin, the narrator.

The last scene, the Stardust Scene, was really solid. Everything got real dreamy and then you heard a beautiful rendition of "Smoke Gets in Your Eyes" and "Stardust" played and sung by Jack Henderson, Mickey Riley, Phyllis Bennett, Anita Kirtsinger, Rosemarie Kinsey, Elsie Cory, the trio, Anna Mae Meade, Shirley Smith, Donna Bailey, Joan Walters, Ginny Braun, Sophie Ulicki, Jim Nolan, Don Head, Dick Krieg, Jean Sachs, Mel Fredbeck, and Don Dethorn.

When Jack Henderson came out and sang "I'll Walk Alone," you thought Frank Sinatra was singing, from the sighs and screams coming from the audience. It was something simply out-of-this-world when Mickey Riley sang "And Then You Kissed Me."

Of course, we can't forget the simply marvelous ten-piece band, whose entertainment really kept the spirit up all through the show.

All in all, with the cooperation of everyone in the cast and the others, Scuttlebutt was an outstanding success.

SCUTTLEBUTT

STARDUST SCENE IN SCUTTLEBUTT

The stage setting was beautiful. Soloists were Elsie Cory, Jack Henderson, and Anita Kirtsinger. Shirley Smith and Melvin Fredbeck did a dreamy waltz. Rosemarie Kinsey, The Lady In Blue, did a solo ballet dance. The dance routine by the six couples was strikingly effective, while Phyllis Bennett and Jim Nolan sang.

BROOKLYN SCENE

Soloists in this scene were Bev Simmons, who sang "Once Too Often," and Alice Crowder, who sang "Tess's Torch Song". A solo tap dance was done by Charlotte Leaf. The sailors in the picture introduced each scene with a clever dialogue.

BOARDING HOUSE SCENE AND STAGE CREW

In this scene Pat Unewitz stole the scene by her rendition of "Her Tears Flowed Like Wine." Gerrie Truax sang "His Rocking Horse Ran Away." A jitterbug number was done by Ronnie Bleck and Carol Gordon. The trio, Jackie Burkey, Mary Louisa Nies, and Mary Lou Thomson sang two numbers. Don Head sang "Is You Is or Is You Ain't My Baby?"

The stage crew, headed by Carol Palbicke, did a wonderful job of assembling properties.

VAUDEVILLE SCENE

Featured in this scene were the Can-Can dancers, the bathing beauties, of 1910 (Boys), "The Banks of the Wabash," by Betty Phillips, who was serenaded by the boys' quartet, the Can-Can toe dance, and the Straw Hat Song and Dance. Last but not least, was the exciting melodrama written by Barbara Gordon. It was a wow!

"Globetrotters", A Rousing War Drama

The second successful History Club Show of the year was "Globetrotters", which was presented on March 22 and 23, 1945. Jackie Burkey was the student director of the show and received many compliments for her fine work. The troopers in show business who follow servicemen all over the globe was the theme of the show.

Scene one had its setting in the South Pacific. Leo Kutzler, Bob Swerman, Chuck Franz, Bud Brenton, Jim Nolan, Bill Leatherman, and Jack Fries were sailors. When Willie Kennedy put on a grass skirt and started jitterbugging with sailor Bob Runyan, the crowd really roared.

In Act Two, which took place in a hospital ward, the patients were cheered by a trio of beautiful nurses consisting of Phyllis Bennett, Delores Kriesel, and Joyce Van Cleave.

The Oriental Scene was very effective when the girls danced across the stage to the rhythm of their bells. Frank Kelly made a very dashing shiek, and the boys had to be held down in their seats when Gerrie Truax sang "Temptation."

In the last scene "Bessie in a Bustle" was sung and danced by the chorus — consisting of Lois Flament, Lorraine Johnson, Berdene Smith, Lorraine Zdanowicz, Ruth Sage, and Bettye Griffin. Mickey Riley and Jean Sachs made a darling couple when they sang "Evalina". The grand finale was a patriotic one as all the members of the armed forces were represented as they marched on the stage.

Thanks History Club for a grand show, we can only hope there will be many more as great as "Globetrotters."

Junior History Club Is Up and Coming

One Friday afternoon, all the Freshmen and Sophomores were entering the Jr. Assembly. That's right, you guessed it, it was a Jr. History Club meeting. While the sponsor, Miss Whyte, looked on, Mary Nibbe, the president, opened the meeting. Her fellow officers were vice-president, James Turk; secretary, Lorraine Sandberg; Treasurer, Doris Nibbe; and Board member, Judy Van Dyne. The first semester officers were president, Camille Moore; vice-president, Ronnie Kelly; secretary, Lorraine Sandberg; treasurer, Art Fuller; and Board member, Charles Freedman.

Outsatnding among the activities that year were the Chicago trip to see "Winged Victory", and a day spent at the Northwestern University where they saw the Northwestern-Purdue football game.

This organization is worthwhile to all the History students, since it brings them all together for recreational and educational interests. Any freshman or sophomore who takes history can become a member of this industrious group.

Early on Armistice Day, loaded blankets, heavy coats, mufflers and mittens, the Jr. History Club met with the Sr. History Club at the Northwestern station. Soon they arrived in Evanston. A short while later, they were on the campus. Everybody checked in their excess luggage. The group was then divided. All those who wanted to tour the campus were in one group; while the rest toured the Tech Institute. At 11 o'clock the chapel chimes rang and everybody turned East. The campus tour included dormitories, fraternity and sorority houses, club rooms and other interesting sections of the campus. Those who toured the Institute found it to be interesting and that it would take more than a few hours to see everything. At 12 o'clock they returned to Scott Hall to enjoy a delicious dinner. Everybody had an hour free to do anything they wanted just so they arrived at Dyche Stadium at 2:00. Banners for Purdue or N. U., peanuts, hot dogs, programs—the game was on with all its trimmings. Over the loudspeaker came the announcement that Waukegan History Club was here. Everybody then went wild when Bruce Bairstow, one of Waukegan's favorite sons, went into the game. An impressive Armistice Day ceremony was presented at the half. Soon the game was over. Northwestern had lost but everybody was in high spirits. A tired but happy bunch jammed on the crowded Northwestern train, (the North Shore was on strike) and stood all the way home.

Club Studies German Customs and Culture

Die Deutsche Gesellschaft, the German Club, is open to all students who are taking or have taken German courses. The president is Gloria Mayer; vice-president, Robert Going; secretary, Laurel Woldt; treasurer, Paul Melius; and program chairman, Mary Kate Yntema.

German courses were offered in school during the last two years in spite of the war. During World War I, the German language was not taught because it was the language of our enemy. This time we realize that the only way we can conquer and later live peacefully with our enemies is by learning to speak with and understand them.

Club meetings are held once every six weeks. The purpose of this club is to become better informed about the culture, customs, and history of the German people and also to promote a friendship among the students.

The outstanding event of the year was the Christmas party. Many Christmas stories were told by the students. Marian Barens presented "The Story of St. Nicholas", Anna Rhodes gave "The Christmas Club", and Theresa Goldschmidt told about German foods at Christmas time. "Silent Night" was sung in German by Marge Denman and Rita Therry sang "Ave Maria". She was accompanied on the piano by Lowell Salberg. Other songs were sung, gifts were exchanged, and later refreshments were served.

Miss Bess Dady is the club's helpful sponsor. She has been teaching German for several years and has directed all the activities of the German groups at W.T.H.S.

Hi-Y Club Fosters Christian Ideals

The Hi-Y Club is principally a club for "regular boys". All sophomore, junior, and senior boys are eligible for membership in this purely American organization. The Hi-Y movement, started in Chapman, Kansas, by a group of high school Y.M.C.A. boys, is over 50 years old—and still going strong. The main purpose of the Hi-Y is "to create, maintain, and extend throughout the school and community high standards of Christian Character." However, it also enriches and strengthens the character of its members and enstills in them a will to live a wholesome, Christian life and to obey the rules of Clean Speech, Clean Sports, Clean Scholarship, and Clean Living. If it is these things that make better men, and better men build a greater nation, the Hi-Y is proud of having such a charter.

Although the Waukegan Chapter of the Hi-Y was quite small this year, it accomplished several worthwhile things for the community, for the school and for the Hi-Y Fellowship. Perhaps the greatest accomplishment, and that which we take most pride in, was that of partly sponsoring the visit of Mr. Liddle, whose informal and informative talks, were of great value to all the students in high school. Of lesser significance, but still important, is the Hi-Y Refreshment Stand which operates at the Hi-Skool Hango-ut, and has beeen welcomed there with enthusiastic response.

Donations to the Hi-Y Service Program Hang-out, and several other civic projects can be added also as achievements of the Hi-Y Club. The Club also presented to the Y.M.C.A. a painting of Christ, to be hung in the "Y" lobby as a symbol of reverence and inspiration to "Y" members. Other projects planned for this year were a Mother and Son Banquet, a Spring Retreat, a Lake County Hi-Y Conference to be sponsored by the Waukegan Hi-Y,and the organizing of Junior Hi-Y's throughout the city. Although they have not as yet been executed, the ideas were noble aspirations for future consideration.

"What I aspired to be.
and was not, comforts me;
A brute I might have been, but would not sink
i' the scale.

—Browning

Girl Reserves Strive Toward Right Living

Again this year, Girl Reserves led the way Their creed of higher morals, their pledge to "do right," and their strivings to soon be young ladies has caused the club unlimited popularity among all high school girls. This year both the Senior and Junior girls' groups have been exceptionally active. Outstanding services to the community have been the presenting of a play at several U. S. O.'s, girls' clubs and women's clubs; sending cookies and sandwiches to U. S. O. organizations at various times during the year — and donating money to help sponsor the guidance assemblies.

The first really big activity of the Reserves for the year, was the co-sponsorship of a Style Show in September. The object of the show, was not only to interest students in Girl Reserves, but to let "Young Miss America" know for what her next door neighbor was spending all her money. The result — everyone undoubtedly enjoyed the show, and there were more girls joining the club than ever before after any drive for membership.

The program at the show was extremely interestiing, and varied, ranging from a piano solo by Mary Lou Moore, to an original and "jivy" poem by Barbara Gordon to the Styles themselves. Other entertaining features of the program were, the welcome by Sophie Evans, president of the Juniors, and a reading by Donna Baily. Of course, one of the biggest hits of the afternoon was the refreshments, served from the nurse's office. Alice Eber, refreshment chairman, really did herself proud that day. Yum. We can still taste all those goodies. All in all, the fashion show was really one of the gayla events of the school year.

Junior Reserves Is For Younger Girls

The Junior group was active throughout the first semester, what with hayrides, a super Hallowe'en party, an "Hour of Charm," conducted by Mrs. Max Lidchsen, and stressing the seven points of charm; appearance, dress, manner, voice, mental outlook, helpfulness, and politeness; and a Barn Dance.

The seniors, too, had their hands full. As the finances of the club were down to the bottom of the barrel, and in fact—the barrel was empty—the girls set out to replenish the vast emptiness of said barrel. In other words, the club had been asked to donate to worthy causes, help finance the assemblies at school, and sponsor the dinner given for Mr. and Mrs. Liddle in conjunction with the Hi-Y. So they set out to raise money, by making and selling sandwiches at football games, and by selling popcorn at one of the basketball games. All in all a grand total—after all expenses had been subtracted — was $50.45, which made a grander total of 50.65, counting the money previously left in the treasury.

Senior Honor Day, held for graduated members of the club, completed a busy and profitable semester. The program was of a religious nature with a poem about each of the four graduates, read. The girls were Peggy Fisher, Barbara Smith, Katherine Swanson, and Barbara Gordon. Barbara Gordon read a goodbye poem from the graduates. Then the presentation of awards were made to the outstanding Girl Reserve of the year, based on character, leadership, and accomplishments. The award went to Barbara Gordon. A formal goodbye was read by Marge Mann, president and Mrs. Jane W. Seeber expressed her wishes of good luck and continued attendance on the part of the girls — even though they had graduated. The program and meeting was concluded with the singing of The Lord's Prayer by Barbara Gordon.

The really grand event of the season was the ultimate presentation of "Mushrooms Coming Up." It was erroneously reported in last year's Annual that the play had been given. Conditions prevented and so it was presented for the first time February 5, 1945.

Under the capable leadership of Mrs. Seeber, Girl Reserves Secretary for the Y.W.C.A., and the school sponsor, Miss Leona Stoevener, the club has become one of the most popular of the school activities, with registration and membership soaring higher each new semester.

El Círculo Espanol Is Thriving Group

Hola amigos! Do you enjoy clubs? Well, El Circulo *Espanol,* the Spanish Club, is growing in members and activities as the days go by. As the enrollment in the Spanish department has increased from 234 students in 1940 to 450 students in 1945, so the membership in the club has increased accordingly. It is becoming one of the largest and most popular clubs in the school.

Under the sponsorship of Miss Rummel, the club has had another profitable and enjoyable year. Interested and capable officers and more than one hundred members have made this possible.

The officers for this year were: First Semester—presidenta, Margaret Fisher; vice-presidenta, Patricia Plier; secretaria, Buela Lucas; Tesorero, Richard Harris; program chairman, Joan Wolters. Second Semester—presidenta, Sally Franks; vice-presidenta, Mary Lou Moore; secretaria, Buela Lucas; tesorero, Arnold Solis; program chairman, Volga Popoff.

One objective of this organization is to promote a broader knowledge and greater appreciation of the Spanish-speaking countries and peoples. Another objective is to provide more opportunities for speaking Spanish.

El Circulo Espanol opened its year with an entertaining and instructive Quiz Program on Spanish-American customs and songs. The curtain rose on a broadcasting studio with a microphone. John Fucik was Professor Quiz and eight members of the club were the contestants.

October Mr. J. L. McLaughlin, world-wide traveler, took los socios (the members) on a very interesting trip through Mexico. He did this by means of beautiful colored slides, accompanied by a lecture.

In April Mr. McLaughlin was responsible for another fine session. This time he presented a vivid illustrated lecture on the Philippines.

During the year technicolored films contributed knowledge of other Spanish-speaking countries, their peoples, and their customs. To be able to understand and interpret the Spanish film, *Buenos Dias, Carmelita,* gave the students satisfaction and pleasure.

The Spanish Christmas party is always a delightful meeting. Didn't you enjoy singing Christmas carols in Spanish and Las Mananitas, (Happy Birthday) to those who were celebrating their birthdays that month?

Isn't it fun to break the pretty pinatas and scramble for the regalitos (little gifts)? A pinata is a large decorated jar which has the form of a flower, fruit, man or animal. It is filled with candy, fruitts, and presents. The children take turns trying to break it and when someone finally succeeds, the sweets shower down to the eager children below. The Christmas play, Las Posadas, directed by Miss Doris Dixson of the Dramatics Department was enjoyed by all. Las Posadas are thefiestas which the Mexicans have each year for nine days, from December 16 to December 25. They represent the nine days of traveling of Joseph and Mary and their arrival at Bethlehem. This play was also presented at the High School Parent-Teachers' meeting and at a meeting of the North Chicago Woman's Club.

Study Spanish Life and Culture

In December El Circulo Espanol was represented in an all-school assembly program showing the manner in which Christmas is celebrated in other lands. Our representative, Sally Franks, described the Christmas celebrations in Mexico. She wore Miss Rummel's colorful costume, the China Poblana.

Another successful event was the January dance, Caballero Capers. Hundreds were present and the amount in the Spanish Club treasury was increased more than one hundred dollars.

One of the highlights of the year was the excellent program on Guatemala presented by Mrs. Mildred Bairstow. Exquisitely embroidered costumes were modeled by members of the club. Many beautiful articles brought from Central America and Mexico were exhibited.

Do you remember the magazine drives sponsored by the Student Council in previous years? This year El Circulo Espanol assumed full responsibility and did an excellent job, the profit being 400 dollars. This project not only added money to the treasury of the club, but the students who participated gained worthwhile experience in organization, cooperation, management,and salesmanship.

This organization has contributed generously to the Community War Chest Fund, Legion News-Sun Christmas Fund, Foster Parent Fund, Loud-speaker fund and the World Peace Symposium.

At the last meeting of the year, the play Hay Paz was presented in Spanish. All enjoyed this and the singing of Spanish songs.

All members of El Circulo Espanol know that the officers, committees, and sponsor constantly plan in order to provide more opportunities for speaking Spanish and understanding the Spanish-speaking peoples and their customs, and therefore, becoming better neighbors.

!Hasta la vista!

Audio Visual Club Serves Entire School

The bell has rung! The classroom is darkened. The movie projector is set up ready to be used. But who shall work the projector? Has the Audio-Visual Club sent the operator yet? At that very moment into the room walks the operator. This operator, trained under the supervision of Mr. Trapp, is one of more than twenty at your call whenever a movie is to be shown.

The Audio Visual Aid's Club which was started in September, 1944, is sponsored by Mr. Trapp. Some of the various jobs that the club performs are assigning movie operators, caring of the equipment, shipping of films, operating of the Public Address System, juke box, sound film slide projector, film slide projectors, recorder, 16 mm. projectors, 35 mm. still camera, and 16 mm. motion picture cameras.

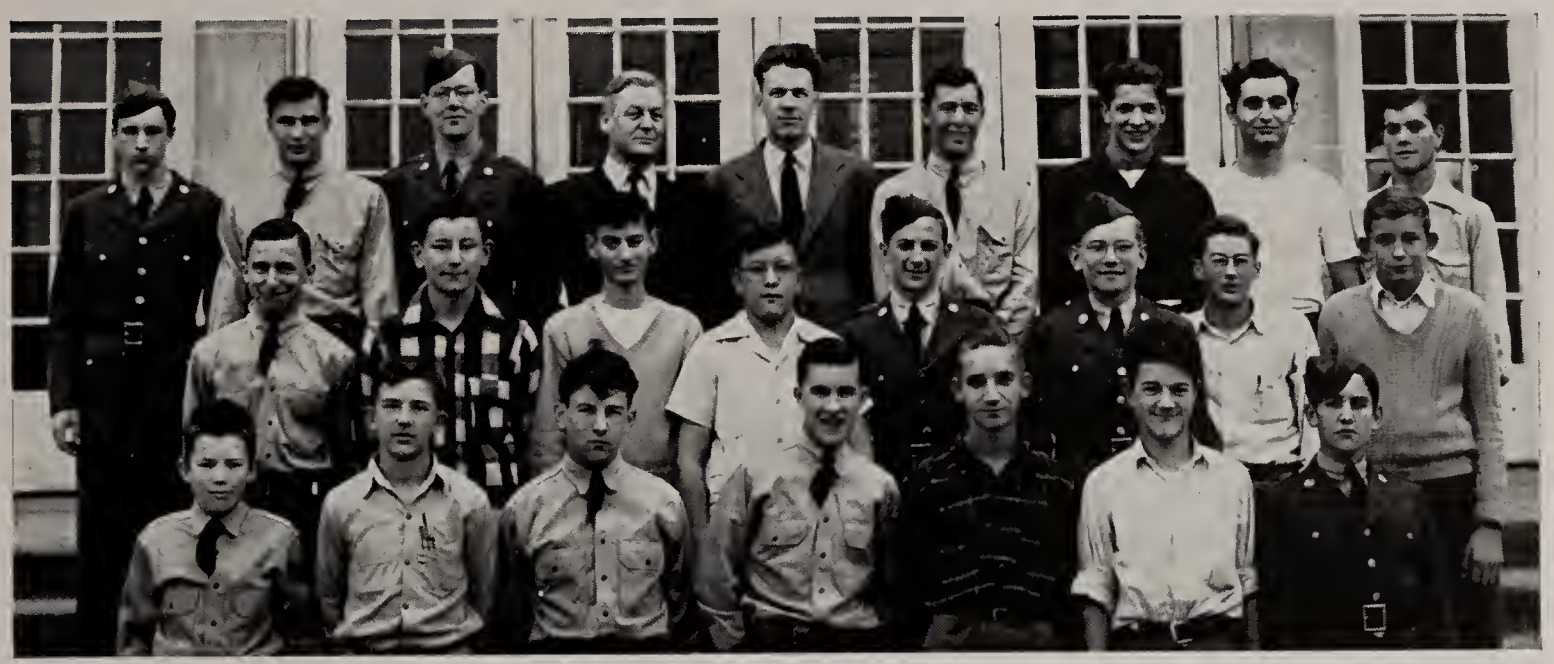

Although the Audio Visual Aids Club's origination is very recent, it has a great number of members on its roll call. The officers for the first semester were: President, Steve Chelap; vice-president, George Sides; secretary, Phyllis Fortier, treasurer, Gilbert Beatty.

The officers of the club for the last semester were: president, James Lonergan; vice-president, Charles Lange; treasurer, Henry Warnecke; secretary, Lou Alfano.

There are no prerequisite requirements for eligibility to enter this club. Being a service club, the members must give up their study halls any time they are called up on for their services. It is an excellent club for anyone who is interested in this type of work. The experience derived from it is unequaled.

Printers Organize Graphic Arts Club

The purpose of the W. T. H. S. Graphic Arts Club is to promote fellowship among printing students, and to present educational opportunities. Sponsoring the refreshment stand at football games was one of the various activities of the club. Few members will forget the trip to Chicago which the club took where they visited the Lakeside Press, saw Montgomery Ward's and Sears, Roebuck catalogues printed, as well as the Spanish edition of Readers Digest. The trip was just one of the many ways this organization accomplished the purposes of promoting fellowship and presenting educational opportunities.

One of the printing tasks the group has undertaken is the printing of an official bulldog sticker for the school. The bulldog sticker can be used for windows, books, etc. This sticker will be ready for the school at the beginning of the next semester.

One of the last social events of the year was the chicken feast which they had at the last meeting of the year. At this meeting they elected the officers for the next school year and made tentative plans for the next semester's activities.

This organization is a great benefit to the school, as they are donating one hundred dollars out of their treasury to be used for printing equipment available to future classes. The group bought six hundred feet of motion picture film to take pictures of the printing classes. These pictures will be show to the incoming freshmen to acquaint the freshmen with printshop duties.

The officers of the club were Carl Robison, president; John Karner, vice-president; Bob Swanson, secretary; and Richard Hund, treasurer. The sponsors are Paul L. Schoenoff and Fred W. Swan.

To be a member the student must be enrolled in the advanced printing class and his application must be accepted by the club members.

Yearbook Is Product Of Annual 'W' Staff

Period one is Annual period in Jr. 147. Here the staff met every day during the school year to take pictures, plan layouts, compile writeups and to do the million and one things necessary for a successful yearbook. We often came before and after school and on Saturdays to finish tasks we didn't have time for during the period. Mr. Meslow was always on hand to help plan our work for us and to give a helping hand whenever needed.

We had fun, even when we were piled high with work. When Anne Mozek wasn't busy typing the service honor roll she was planning student life picture panels. Carol Amstutz spent days arranging senior pictures, while Pat Lutter was always trying to get help on her latest article. Norma Carmain and Jean Ann Olson, our speedy typists, kept at the almost endless task of typing captions and writeups. Sheldon Lovinger visited the ROTC office on the average of twice a day to keep up with the military news, while Ed Streed was writing sports or replaying the latest basketball game. Laurel Woldt struggled with class and club articles, while Pat Busch and "Otto" became regular buddies in planning the band lay-out. Skippy Betcher had charge of organizations and also subscriptions. Editor Shirley Phelps had the biggest job of all, that of supervising all the work and helping out whenever help was needed. The complete staff for the 1945 Annual "W" is as follows:

Editor ..... Shirley Phelps
Literary Editor ..... Laurel Woldt
Clubs and Circulation ..... Skippy Betcher
Art Editor ..... Pat Busch
Sports (Girls) ..... Carol Amstutz
Sports (Boys) ..... Ed Streed
Class Editor ..... Pat Lutter

Student 'W' World Is Official School Press

The Student "W" World is a project of the advanced classes in Journalism and of other volunteer staff members who elect to work on the weekly student newspaper. Work of reporting, copy reading, page make-up, and distribution of copies on Friday morning makes for a full weekly schedule. For those who take the work seriously, the "W" World offers probably the most varied experience of any one project carried on in high school.

The editor's post was held throughout the year by Gertie Siegel whose untiring application to the arduous task of keeping the staff producing from week to week won for her the true admiration of all her co-workers. Among others who took major responsibility in the weekly tasks were Joan Mayer, news editor; Marjorie Mann and Phyllis Fortier, cop editors; Mary Louise Taylor, associate; and Emily Betcher who had charge of page two. Of course no three or four people can be credited with carrying on the many-sided actvities of the "W" World. The cooperation of the entire staff is necessary, including editors, typists, and reporters.

One of the major events of the year was the annual midyear Hobo Rally sponsored by "W" World. The Hobo Rally starts right after report cards are given out on the morning after graduation. For those who are well satisfied with their report cards, the Hobo Rally is a good place to celebrate; for the people who are not pleased with their report cards, the Hobo Rally is the place to forget, and for the people who have been graduated the night before, the Hobo Rally is the best place to finish with a bang.

THE PURPLE AND GOLD

Music by Otto E. Graham
Words by Jessie Strang, '26

I

Hail, Waukegan High,
Hail, Waukegan High,
How grandly rings your name,
With fervor, joy and loyalty
As it wings its way to fame.
In our school we climb the ladder,
Four years of constant stress,
Every task that we can conquer,
A step upward to success.

II

Hail, Waukegan High,
Hail, Waukegan High,
You lead in noble thought,
It will never come to naught;
We will win in ev'ry contest,
Our athletes will be bold;
March onward, Oh, Waukegan,
Hail, hail the Purple and the Gold.

Chorus:

Hooray, hoo-rah, rah, rah, rah, rah, Waukegan!
Hooray, hoo-rah, rah, rah, rah, rah, Waukegan!
(Whistle) . . . . . Boom!
Hail Waukegan igh, Hail Waukegan High,
We will ever praise our honored school
Her worth can ne'er be told;
Hail Waukegan High, Hail Waukegan High
From your mantled walls in ivy clad,
'Neath the Purple and the Gold.

"W" Band Builds School Spirit, Morale

The Waukegan Township High School Band has achieved another year of success. From the starting whistle of Drum Major Russell Pugh at the beginning of the football season last September, to the last downbeat of Mr. Graham at the Spring Concert, which was held on May 17, the band proved itself a valuable asset to the school. From the beginning of this school year, the band has developed in intonation, finesse, and balance.

Preceding the Fall Concert, a new demerit system was applied. Those in the band who received a minimum of demerits were treated to a Steak Dinner at the Karcher Hotel. In December the band played Christmas carols for the South Genesee street U.S.O.

One of the major problems a director has in keeping a good band from year to year is the task of replacing the fifteen to thirty graduating members. To keep good oboe, bassoon, flute, French horn and tuba players in the band is the major problem. We students do not realize until we have been in the band for four years, the difficulties of keeping a balanced instrumentation, and developing the technical skills of all sections to a degree of efficiency that enables the band to give agreeable performances, concerts, school and civic activities.

Our own Mr. Graham has a reputation among bandmen throughout the state, as having well b*alanced* bands, and developing good intonation. He is not only interested in the progress of his students while in high school, but continues to follow their activities after graduation.

Due to the graduation of many of the advanced players, the band did not have such a bright outlook for a successful year in the fall of 1944. However, with the following drills, the band made rapid improvement in musicianship, long tones, with various dynamics to develop tone quality and breath control, chords and chord progression to develop good intonation throughout the range of the instrument, and good listening habits, and scale studies with varied phrasing to develop technique and phrasing.

Concert Band Is Waukegan High's Pride

The band did much toward creating a wonderful school spirit that helped give the incentive to our football and basketball teams. From the simple formation at the first few games to the more complex formations at the end of the football season, the band contributed much to the entertainment of the crowd. The band played at time-out intervals, during the halves and between games. However, the thrilling moment at the basketball games was the flourish, the entrance of the color guard with the colors accompanied by a soft drum roll, the raising of the colors with the houselights out, and a spotlight playing on the flag while the band played our National Anthem. It was a ceremony that made a lasting impression on the visiting players and coaches.

The band played for many patriotic and civic organizations during the year. Annually, the band plays for the North Chicago Sharvin Post American Legion on Armistice Day, and for the Waukegan Homer Dahringer Post American Legion for a memorial service on the Sunday evening nearest Armistice Day.

The band presented a fall and spring concert. Both programs were excellent. The feature soloist of the fall concert was Mrs. J. Lloyd Trump. As usual, the Spring Concert presented on May 17, was an outstanding performance. The two novelty numbers—Arioso by Bach, and Rienzi Overture by Wagner, were the highlights of the band's performance. Russel Pugh, bassoon; Norman Gudmunson, violin; Lowell Salberg, piano; Duane Allen, alto clarinet; and the cornet trio, consisting of George Drysdale, Robert Swerman, and Tom Mayfield performed in an excellent manner.

For the first time in many years a band banquet was held in the high school cafeteria, which was attended by three hundred, including parents and friends. The band boys hope this will become an annual affair.

Mr. Graham feels that much credit for the band's success is due to the officers and band boys, themselves. He gives special credit to Captain Russell Pugh for his excellent qualities of leadership and musicianship.

Many former members of the band, who are now in service, have visited the band during the year, and all spoke of the value of the training they had received in the band. Mr. Graham has received many letters from band alumni, expressing their sincere gratitude for his guidance. Of course, behind all the scenes, we have Mr. Graham's tireless efforts, along with his frequent inspirational lectures, which help to prepare us to meet life after leaving high school.

Junior Band Is Popular Training Group

The Junior Band is one of the most progressive organizations in W.T.H.S. because of the various means by which a student learns good musicianship. In the Junior Band the members learn the fundamentals of musical training, such as, good posture, chords, scales, coordination, rhythm, and above all, courtesy. These are the basic needs to start on the road to becoming a leader in music. In music as in any other field of work, one must begin at the very bottom of the ladder and work up the rest of the way. That is the sole purpose of the Junior Band; to help the beginners in music to get on the right path to success.

If upon entering the Junior Band a student does not show many good qualities in music, he will have improved immensely by the time he leaves. After he has shown his ability to master certain tests, he is eligible for a tryout, which is held at the beginning of each semester, for the Senior Band.

Every two weeks, however, a tryout is given to all the members of the Junior Band. These tryouts determine the standing of the members and as to what position he will hold in his section. He must meet with the requirements for good tone, sight reading ability, and range. Usually the ones in the first three chairs of each section, go to the Senior Band the next semester.

Persons in the Junior Band must be careful in their actions and must obey strict orders because of the demerit system which is like that of the Senior Band. The members are allowed to work off their demerits by coming in for ninth periods. One ninth period takes away three demerits.

Almost all of the Junior Band players eventually enter the Senior Band to take on more difficult work and more responsibility because of the excellent training received while in the Junior Band.

Senior Orchestra -- A Miniature Symphony

The W.T.H.S. Orchestra made up of a wood wind section—consisting of two flutes, two oboes, two bassoons, and four clarinets, a brass section with four cornets, two French horns, two trombones, and one tuba is as fine as can be found in any high school. Our orchestra is lacking in the string section, because there is little work done in the grade schools to promote and encourage the playing of the violin or other string instruments.

It would be to the advantage of the W.T.H.S. Orchestra if the students coming in as freshmen from the various grade schools would have been given the opportunity to receive more musical training in the various string instruments. However, those who are members of the Orchestra acquire many benefits bestowed upon them by the excellent training when participating in the Orchestra as a group.

Training in the Orchestra develops independence and responsibility in the individual players. Because, in the Orchestra almost everyone has a different part to play, he cannot wait for the next person to play it. This type of work helps to develop responsibility, if there is much solo work done in the selection.

The actual playing aids the student to acquire certain tone qualities which cannot be satisfactorily attained anywhere else. Good intonation is also taught to be recognized. To be able to play in the Orchestra is one of the first steps toward achieving excellent musicianship. Mr. Graham, who has been in charge of W.T.H.S. orchestras for many years, takes particular pride in his proteges and he has had the satisfaction of seeing many of his students make names for themselves in their chosen field after leaving high school. Director Graham believes in stressing fundamentals and those students who continue their study of music are always thankful that they had the opportunity of orchestra training in high school

Special Instrumental Groups Are Popular

Various trios, quartets, quintets, and sextets were formed to represent the ensemble group in the district music contest at Wheaton, Illinois, April 21, 1945. The players were selected from the Band and Orchestra by their ability to play with others, good tone and intonation, and other musical faculties.

It took a great deal of work and time in a group such as one of these, to perform a selection just as it should be performed. It is far from being a simple task to learn a part and play it correctly with two or three others. It is a task where much practice and patience is exerted before the desired results are gained.

The ensembles entered the music contest and came back with high honors bestowed on them.

Music Groups Compete In District Contest

Saturday, April 21, 34 students from the W.T.-H.S. band and orchestra, under the direction of Mr. Graham, entered the music contest at Wheaton, Illinois and came back with four first places, ten seconds, and six thirds.

The 4 firsts were masterfully achieved by the soloists: Russ Pugh, bassoon; Eunice Siewart, marimba; Duane Allen, alto clarinet; and Bob Hurd, oboe.

The second places were won by soloists: George Drysdale, cornet; Norman Gudmundson, violin; Richard Hall, trombone; Barbara Mouritsen, flute; and Bob Smith, oboe; ensembles: woodwind quintet, cornet trio No. 1, cornet trio No. 2, and the trombone quartet. The third places were acquired by the soloists: Georgia Simon, piano; Lowell Salberg, piano; Billy Gilbert, trombone; John Hodnik, cornet; ensembles: clarinet quartet, and the brass sextet. The first place winners are scheduled to enter the State Contest May 5, at DeKalb, Illinois.

The accompanists were Georgia Simon, Helen Petraitis, Betty Apeland, Lowell Salberg, Dick Pearson, Mary Jane Jenkins, and Carolyn Redding.

The first, second, and third places, or divisions, gained by these participants have separate meanings as follows: Division I represents the best conceivable performance in the event and class of the participants, Division II is a good performance in most respects, but may have ineffectiveness of interpretation or technical ability, Division III needs further development, and Division IV needs very much improvement. For rating in the music contest the contestants are competing against standards of achievement and not against each other. Contestants must measure up to a very high standard before being considered for Division I.

The contestants returned with not only their ratings but also with the experience of hearing students from other schools play. They learned the qualities of good tone, intonation, and in general good musicianship. It was an experience that no one who went will ever forget or want to forget. Cars for the occasion were provided by the parents of the various students and friends.

Acappella Choir and Glee Club Train Voices

The choral department of W.T.H.S. is now in a precise moment of activity. The several different clubs and classes are preparing for the coming baccalaureate and commencement. Mr. Karl Klauser is the W.T.H.S. choral instructor.

The four divisions: bases, altos, tenors, and sopranos, are learning new and very beautiful songs by parts. The system used in doing so starts with two section leaders from each section of the chorus. These leaders meet twice a week to practice their parts. When they have succeeded in this, they return and teach their section with the assistance of Mr. Klauser.

The whole choir then practices the song with a professional recording of the same, which shows their faults. After this is done each section then sings its separate part without a piano. When each part is learned the full choir then sings the song a cappella style. They then strive for word pronunciation, and expression. "These are a vital part to any song." said Mr. Klauser, "it makes the audience feel the meaning of it." Any one who knows music will agree with him on that point.

"Do re me fa so la ti do" is heard echoing through the halls everyday 7th period in room Sr. 34. What's this? Why of course, it is the Girls Glee Club! And a very fine club it is.

After receiving some new pieces of music the chorus really went to work practicing daily for activities such as the Choral concert. The purpose of the club is to enjoy singing. And the only requirements are the ability to read and sing music.

Being a member of the Glee Club is an honor as it is promotion from the beginning choruses. From there the next step is the a cappella choir.

The club officers for the 1st semester were: President, Donna Perry; Vice President, Margie Denman; Secretary, Evelyn Bystrom; Treasurer, Pat Hill. The second semester officers were: President, Sally Winding; Vice President, Camille Moore; Secretary, Susan Roos; and Accompanist, Georgia Simon.

Bass Clef, Teble Clef For Specíal Talent

The setting is Waukegan High, Choir Room,period five. As we climb the stairs there can be heard the voices of young high school boys singing. Yes, it is Mr. Klauser's Bass Clef Club. It is a brand new organization this year and is open to any young man, providing he wants to sing. As we get closer we can see the president, George Sides and vice-president, Jack Henderson. Oh look! Is that Lex Xanders? I heard he was secretary. But who can that be there on the end? Is that the treasurer, George Chandler with his mouth open so wide? Sure enough! And what a voice that man does have!

Let us go in and ask Mr. Klauser for some information and highlights on his club. "So far we have advanced in number and not too much in public activities. One thing the club has done very well is the songs they sang at the P. T. A. meeting. They sang 'Sidewalks of New York', 'Red Wing', and 'Mandy Lee'."

With this fine spirit we know that this club has no alternative but to prosper greatly.

Something new in our music department was introduced by Mr. Klauser, new vocal coach at W.T.H.S., last semester when he organized the Treble Clef Club. The principal purpose of the organization is to present the finest girl voices in the school to the public, in various types of programs.

Officers of the club were: Barbara Gordon, president: Phyllis Bennett, vice-president; Blanche Ciolek, secretary; Theresa Goldschmidt, treasurer.

At the start of the first semester, there were only six members of the club, which might very easily be recognized as the club with the most exclusive membership in school. Everyone who wishes to join must be auditioned because Mr. Klauser feels that since there are so many obviously talented girls, he has a good opportunity to pick those who are most advanced.

It is early November and the "W" Thespians are all set for the season's first play. The lights are dimming and people are rushing down the aisle to their seats. The curtain goes up and the play begins. It's that sinister mystery comedy, "Aresenic and Old Lace."

From the first act to the last we are engrossed in a story of two sisters a little on the crazy side, who try to kill every man they lure into their house. Their nephew finally straightens out matters.

But meek Mr. Fields doesn't seem to have much influence over his determined wife.

Seniors Produce "And Came The Spring"

The audience filed out of the Senior Assembly with "splitting-sides" after seeing the play—"And Came The Spring"—presented by the January class of '45. It was given on December 8-9, each night before a full house. Under the direction of Miss Doris Dixson, popular Dramatic director of W.T.H.S., and production manager, Joan Gilmore, it was a wonderful performance turned in by the entire cast.

The story weaves around Midge, who has a crush on Buzz, who in turn adores Virginia. The plot thickens when Carolyn arrives from New York with all her finery, who attracts not only Buzz, but Alan and Elliott as well. $15, bossy Mrs. Fields, Christine, moonlight, and hilarious laughter combined make a super play.

Four Popular One-Act Productions

The production of one act plays was an important phase of the work done by the dramatics department this year. Much valuable experience was acquired in these productions. They gave those who had acting parts a chance to perform in front of an audience. It allowed production crews exercise in creating scenery, sound effects and other necessary equipment for giving a play.

These "Work Shop" presentations were well received by the student body as they not only furnish entertainment but also acquainted students with the work of the dramatic department.

Much time was spent in the selection of plays, so as to offer a varied program, which would be appealing to all. The selection was comprised of fantasy, comedy and straight skits.

Many of these presentations were produced for such outside groups as civic organizations from Waukegan and North Chicago and other school groups.

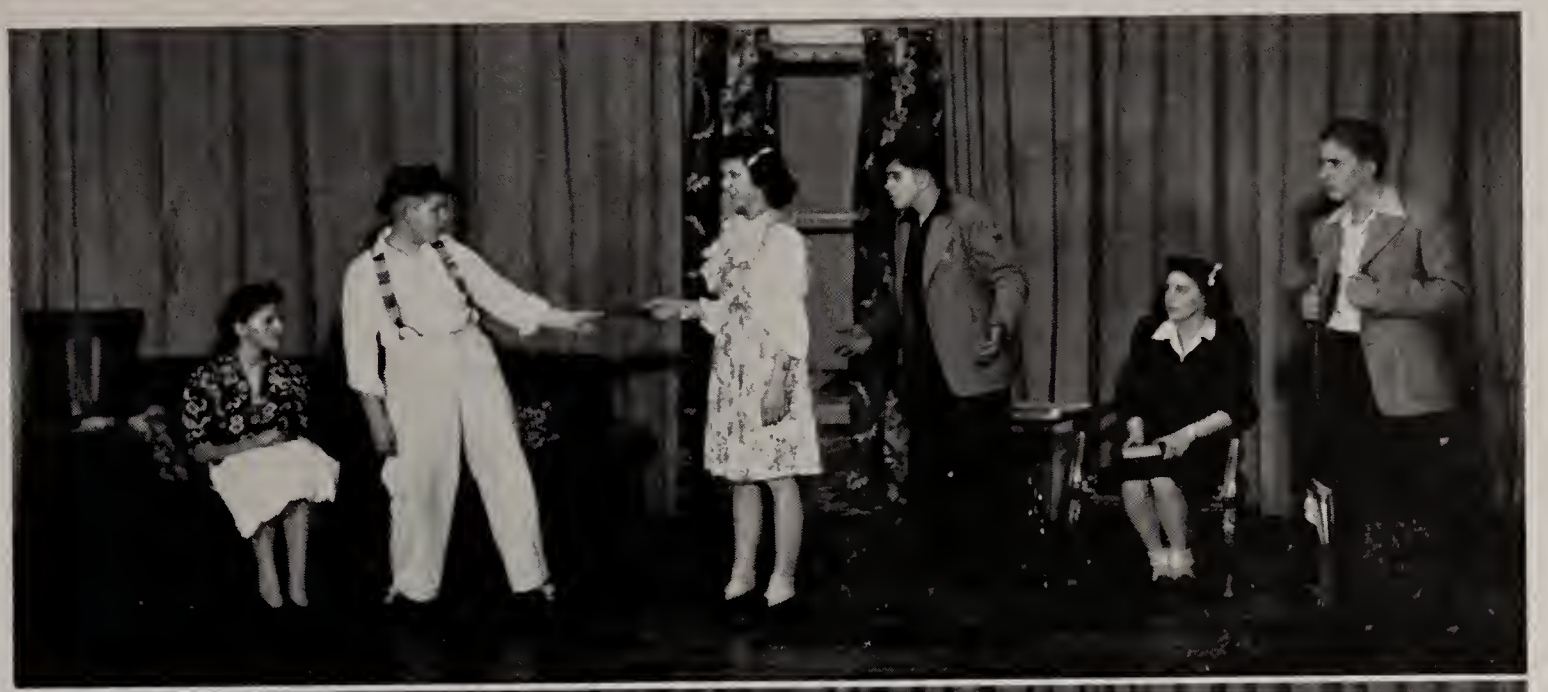

One act plays will no doubt play an important part in the dramatic department's schedule as they furnish entertainment and valuable personal achievements for our students.

Little credit has been given to the Young Thespians, namely the Freshman- Sophomore Dramatics Class of W.T.H.S., but these are the future actors and actresses of our class plays, and credit will be given where credit is due. Here, we see four scenes from one act plays that were given this semester.

TOP PICTURE—OPPOSITE PAGE: "Paul Loses the Ration Books." A familiar line at the climax of the play was, "Here are the ration books you loaned to Lilah, Junior." The Jones family comedies have proved popular with audiences at the after-school programs. The characters are: Mrs. Jones, Beverly Jackson; Junior, Bob Pringle; Mary, Eunice Firchow; Paul, Charles Freedman; Jane, Lillian Duncan; Mr. Jones, Dick Kula.

MIDDLE PICTURE—OPPOSITE PAGE: "Three Pills In a Bottle." Here was something entirely new for the young Thespians—a fantasy. Appearing in this were: The Gentleman's Soul, Darlene Hayes; The Gentleman, Catherine Pentelow; The Scrubwoman's Soul, Marylou Eddy; The Scrubwoman, La Donna Trapp; The Widow Sims, Frances Schellfeffer; Tony, her son, Caroline Callison; The Scissor's Grinder, Patricia Roff; The Scissor's Grinder's Soul, Harriet Franks.

BOTTOM PICTURE—OPPOSITE PAGE: "The Fatal Quest." "O King, I have found the kitten! I claim as my reward the hand of the Princess." In the manliest of tones, Lorraine Sandberg as the Duke speaks to the King, Eileen Siegel,while the Queen, Dorathie Warmann, looks on in amazement, and the fair Princess, Volga Popoff, quiets her fluttering heart. Standing over all is the Bellringer, Kathryn Kelly; at the curtains, Mildred Rubinson and Sophie Ulicki await a cue to close the scene at a tragic moment. This burlesque was presented as an interlude during a P.T.A. program.

Scene from *Cry Havoc* above: "That's right, sixteen of us, come over here to help win the war."

"Cry Havoc" Portrays World War II

The opening night of "Cry Havoc", the Junior-Senior play, found a huge audience stirred by the immense bravery and resourcefulness of our army volunteer nurses on the beseiged island of Bataan.

When the curtain opened the interior of a bomb-proof shelter near Bataan, originally the concrete foundation for one of Bataan Peninsula's big coast artillery guns now converted into sleeping quarters for its defenders, was revealed to the audience. The shelter is entered from the road above by means of a flight of stairs in the rear of the stage.

The scenery which was painted by the members of the stage crew and construction committees took plenty of hard work and was well worth it.

Adding to the atmosphere of stark reality were the sound effects operated by Karen Murray, Joyce Van Cleave, Joyce Whitten, and Mary Kate Yntema.

The story itself is one of sacrifice and courage involving a Nazi traitor and the girl's reaction to the rough, grim life they lead. There is the strong-minded doctor, efficient and untroubled. There is her assistant, restrained and poised, and there are the volunteer nurses —a vivacious Southern girl, who might as well be in the Civil War; a swaggering bully; a couple of timid art students who believe the war is a religious war; an ex-burlesque girl; a big, staggering gal from a lumber camp; and the inevtiable spy.

June Seniors Play "The Cat and The Canary"

The June 1945 Class chose for their senior play the mystery-melodrama, "The Cat and the Canary," which was produced in the Senior Assembly May 10, 11 and 12, under the direction of Miss Doris Dixson. Every moment of the play was packed full of suspense, mystery, thrills, and comedy.

In a gloomy castle on the Hudson, the plot unfolds. At the time of his death, Cyrus Canby West specified that his will was to be read twenty years from that night just at the stroke of midnight. The six surviving heirs: Harry Blythe, Susan Sillsby, Cicily Young, Charles Wilder, Paul Jones and Annabelle West, are gathered together on that night by the family lawyer, Roger Crosby, to hear the reading of the will. Annabelle West, a charming young girl, is found to be sole heir of the estate, but, the will goes on to say, if she shows any indication of the insanity, which Mr. West suspected in the family, the estate will go to another heir known only to Mr. Crosby. The first event in a night of terrors, takes place when Mr. Crosby disappears as he tried to warn Annabelle of danger. Mammy Pleasant does not help matters, with her spirits and warnings of death. When Annabelle becomes hysterical, she is accused by Susan Sillsby, a female with an acid temper, of being as mad as a March hare. Annabelle proves herself, however, by finding the secret panel in which Roger Crosby's body had been hidden. Dr. Patterson, a sinister and mysterious doctor, only adds to Annabelle's panic. The blame of this murder is placed on an escaped lunatic from the sanitarium at Fairview. Annabelle is alone in the room when the lunatic returns, but her screams bring Hendricks, a guard, to help her. Dashing across the room, Annabelle rips a mask from the lunatic's face and discovers to her amazement that he is her charming cousin, Charles Wilder, and the guard is his friend. Through teamwork, however, Harry Blythe and Paul Jones overcome the two murderers and bring them to the police. Harry Blythe has the honor of escorting Susan Sillsby and Cicily Young to the train, leaving the house to Annabelle, Paul and the minister.

Athletics

WTHS Revitalizes Its Sports Program

A RENAISSANCE in athletics has come to W.T.H.S.! Last September, Waukegan was greeted with the services of Coach Wilber "Strings" Allen from Newcastle, Indiana. Along with the new superintendent, Dr. J. Lloyd Trump, they reorganized the sports department, buying new equipment, redecorating the gym, and made numerous improvements. The name "Bulldogs", which has become known and feared by opposing schools, was acquired early last fall by an all-school vote.

Waukegan provided a major threat in every sport during the past season. The football team held its own in the Suburban League. Their fight and spirit is something to long remember. Basketball attained new heights. The Bulldogs were co-champions of the Suburban League this year. The swimming and baseball squads each had a successful season, both teams finishing second in the Suburban League. The track team came up with the greatest dash man Waukegan has ever seen, in Robert Corbett. The cinder artists placed fifth in the State meet.

A great deal of credit, this year, should be given to the Peppers' Club, and the Drum-Majorettes. Their combined efforts added color to all sports events. The Peppers' Club, under the direction of Miss Melba Reid, did a grand job in boasting the Bulldogs' efforts. Mr. Cole's Cheerleaders and the Drum Majorettes provided entertainment at the games and the intermissions during both the football and basketball seasons.

We can look back and speak of the enviable records the Bulldogs made, but at the same time we should look forward to next year and try our utmost to make it the best year Waukegan has yet seen.

Drum Majorettes

SOMETHING new was added to the activities at W.T.H.S. in the Drum Majorettes. The twirlers are an addition to the band, helping keep up the spirit of the school by participating in the basketball and football games.

The "Waukeganettes," as the twirlers dubbed themselves, is a club which was organized in the fall of October, 1944. The officers for the year were: president, Lorraine Zdanowicz; vice-president, Pat Mead; secretary, June Mead; treasurer, Carol Palbicke; historian, Beredene Smith.

The sponsors for the Corps are Mr. Otto Graham and Miss Melba Reid, who helped with very much enthusiasm to get the twirlers organized. Lorraine Zdanowicz acted as Captain of the Corp with Beredene Smith as Jr. Captain and Pat and June Mead as Co-Captains. Many of the formations, worked out by Miss Reid and Lorraine Zdanowicz, and performed by the corp were accepted by the audience with great enthusiasm.

Eugene Shea, the only boy twirler of the corp, added much to the performances by his solo twirling. Last but not least, strutts out our seven year old mascot, Little Linda Lay, who astonished the audiences by her twirling.

At right are members of the Pepper's Club in one of their many pre-school meetings. During these meetings the Peppers prepare cheers for the coming athletic contests.

Peppers Boost Morale

WHO'S doing all that yelling? Who is it that is always hoarse after a game? Why it is the members of the Pepper's Club of course, for this newly organized club is always on the job whenever there is a game. Miss Melba Reid, that swell English teacher, was responsible for organizing this club and her spirit and persuasion have made it one of the biggest and best liked clubs in school. At every game there is a section set off for the "Peppers" and guided by the cheerleaders they really raise the rafters with their yells. Every third Wednesday of the month, the Pepper's Club meets in the gymnasium during period A to learn new yells and to practice old ones. You can always recognize a Pepper by that cute, little, purple and gold cap which they all proudly wear. Officers for this club were: Barbara Christiansen, president; La-Verne Adrion, vice-president; Mary Lou Postich, secretary; Delores Porter, treasurer. Good luck, to the newest of W.T.H.S. Clubs, and may your success continue.

Cheerleaders' Club

HERE we have one of the hardest working organizations in school. The Cheerleaders are present at all sport activities that W.T.H.S. sponsors. They are responsible for the rousing of school spirit at all the games. Many long hours are spent in Mr. Cole's room where all our little Cheerleaders put their heads together to bring birth to new yells and to plan pep assemblies. This year they come up with some pretty original ideas too which they, along with the Peppers, have shown us at the assemblies and games. One of the most inspiring pep meetings of the year was on the eve of the Oak Park football game when the big outdoor rally was held on the drill field where a huge bonfire was built. Officers who led this club the first semester were: president, Faye Cannon; vice-president, Jackie Isaacson; secretary, Sophie Evans; treasurer, Bev Hibbard.

This semester officers were: president, Pat Lutter; vice-president, Jackie Isaacson; secretary, Lois Flament; treasurer, Mary Stevens.

CHEERLEADERS CLUB: In no small measure responsible for the high wave of school enthusiasm are the spirited leaders of student cheering pictured at left. They are, left to right: Jackie Isaacson, Mary Stevens, Sophie Evans, Lois Flament, Norma June McHoes, Beverly Hibbard, and Pat Lutter. Other members of the group not pictured are Fay Cannon and V. Jernberg. The sponsor is Mr. Emerson Cole.

Letter Winners Constitute 'W' Club Roll

As each boy enters W. T. H. S., one of his first thoughts is of the broad athletic program presented to him. Under the guidance of the coaching staff, he learns the meaning of good sportsmanship and good health habits. To win a major letter a boy must play on a Varsity Squad in a major sport such as Football, Basketball, Swimming, Track and Baseball.

The "W" Club is not only a social club, but it has its own definite purpose. Every boy who wins a major "W" automatically becomes a member of this club and thus helps enforce the proper respect for the emblem which he has earned. He should see that this letter is worn on no sweater other than one of Northwestern Purple and also no person is to wear a letter other than a boy who has earned one.

During the past year, the "W" Club has had charge of selling refreshments at the local sports events. They also had charge of check room during the basketball games. The boys now are making plans for their annual picnic which will probably be held at Gages Lake.

Officers of the club are: president, "Tink" Kittell; vice president, "Dumbo" Shea; secretary and treasurer, Bob Runyan; sergeant-at-arms; "Ike" Coles. This group is under the sponsorship of R. D. Brown, who is doing a grand job of helping the boys with their problems.

Gridiron Game Is Popular 'W' Sport

The 1944 Bulldogs, ably tutored by Coach Leo Singer with the assistance of Coach Allen, compiled a record of 3 wins and 5 losses. Although this is not too impressive a showing, injuries and other handicaps hindered their success throughout the season. The highlight of the saeson was the defeat of Oak Park, the second time in over a decade. The Bulldogs out-charged and out-ran the opposing Huskie eleven in every phase of the game.

Honorable mention should be given to many players on the team. First of all to Capt. "Tink" Kittell, who played stellar ball throughout the season and was named on the All-Suburban second team. Next, due recognition should be accorded to "Dumbo" Shea and "Ike" Cole who were the bulwark of the Waukegan line.

In the backfield, Waukegan was represented by the kicking and passing of Tony Gordon, the fleet footed Curtis Christian, and the hard-plunging Larry Hanzel.

In the coming season Coach Singer will welcome the services of eleven lettermen, four sophomores, and seven juniors, which will form the nucleus of the 1945 Bulldog Eleven.

Waukegan 32 Kenosha 13

Speed against passing was the story of Waukegan's opening game. Kenosha showed great passing ability but they were weak on running and defense. Captain "Tink" Kittell intercepted a pass early in the game and raced for a touchdown. Two passes to "Ike" Coles were good for touchdowns, while the other scores were made on line smashes by Gordon and Christian.

Elgin 13 Waukegan 12

An Elgin team, sparked by the kicking and passing of Graf, nosed out Waukegan Bulldogs in a stubbornly fought game. Waukegan struck like lightning, with touchdowns by Hanzel and Henderson. The Graf to Parker combination proved too much for the Waukegan lads and accounted for both scores. Graf's superb kicking kept the Bulldogs' backs to the goal almost throughout the game.

New Trier 13 Waukegan 0

With a line averaging 190 lbs. per man, one of the heaviest in the state, New Trier took an early lead and maintained it throughout the game. Waukegan was not to be underestimated for they put up a terrific fight, keeping New Trier on their toes all of the four quarters. New Trier's touchdowns were scored early in the first quarter by Ely and Bowler.

Waukegan 14 Proviso 6

Waukegan playing top-flight fottball virtually snowed under a vaunted Proviso team. Waukegan took the lead in the second quarter and were never headed. The touchdowns were headlined by the passing of Gordon and the running of Christian and Hanzel. Proviso's only tally came on a blocked punt, which was recovered in the end zone.

Waukegan 7 Oak Park 0

Oak Park, rated one of the strongest teams in the Suburban League, was smothered by Waukegan's air tight defense. Although outweighed 15-20 pounds per man the Bulldogs were threatened only once. Early in the third quarter, Christian went 23 yards on a reverse for the only score of the game. Gordon kicked the extra point.

Top picture below—CHEERLEADERS are all up in the air about the business of boosting school spirit. Bottom picture—It's Oak Park vs. Waukegan and that means a good game any day.

To the coaches of Waukegan High's football teams goes only the best of praise. Coach Leo Singer and his assistant, Coach Wilbur Allen, organized the Varsity team into the powerful Bulldog grid machine of 1944. Coach George Hughes successfully handled over forty boys, who made up the fighting Frosh-Soph squad, while Glenn Anderberg took over the job of coaching the Freshman team. This job is perhaps one of the toughest of all, for it requires coaching boys who have had no previous football experience. Working all together these men made the name of Bulldogs feared by all of Waukegan's grid opponents.

In the picture at the left the football coaches are, left to right: Leo Singer, Wilbur Allen, Glenn Anderberg, and George Hughes.

Varsity Gridders Win 'W' Awards

Highland Park 20 — Waukegan 0

After trimming Oak Park 7-0 the previous week, the Bulldogs encountered a rugged Highland Park outfit. The "Little Giants" started with a bang, grabbing a 14-0 lead in the first half, on touchdowns by Wood and Melchoirre. Their high powered offensive was never stopped until they scored their third and last touchdown putting the game on ice.

Waukegan 6 — Evanston 12

In a hard fought game, Waukegan's Bulldogs went down before a fighting Evanston eleven. Although the local eleven were riddled with injuries they put up a gallant fight. Evanston drew first blood, scoring 2 touchdowns on passes from Chaney to Johnson. This proved to be the margin for the victory. Waukegan's only touchdown came on a 65 yard drive, spearheaded by the running and passing of Larry Hanzel.

Morton 13 — Waukegan 7

The last game of the season was one of the roughest, with several players being temporarily injured. Morton's offense was all built around Ferd Nadherney, their all-state fullback. He proved too hard to stop and scored both Morton's touchdowns on line plunges. In the last quarter "Ike" Coles caught a pass and lateraled to W. R. Kennedy who went the remaining distance for the Bulldogs' only tally. In order that he would have some idea of what his varsity football team would be like, Coach Leo Singer held spring football practices. This was the first spring football practice in two years as the Suburban League had ruled it out in 1944, but they said it was all right to go ahead with it again this year.

About forty boys attended these practices every night after school. The session was closed with an intra-squad spring football game.

Underclassmen Compete In Full Schedules

The 1944 sophomores had one of their most disappointing seasons in many years. In suburban league competition they ended up with no victories and five defeats. The team had plenty of power but due to some costly errors and lack of experience, the team met with difficulty. Several boys on this squad should, with a little more experience, add a good deal of punch to the 1945 Varsity eleven.

Rounding out a smooth working footbaal team from a group of inexperienced boys is truly one of the toughest jobs confronted by any coach. Coach Anderberg met this problem and handled it very well. They played against teams who had more experience but their constant fight and the "will to win" made up the difference. Several boys on this squad will be playing on the Frosh-Soph football team next year. With a little more experience these boys, in 4 years will be up scrapping for the Suburban League title.

'W' Cage Season Topples All Local Records

Rated as one of the best teams of the state, the Waukegan Bulldogs, under the able leadership of Coach Wilbur "Strings" Allen, had one of its best seasons in the history of the school. Coach Allen, hailing from New Castle, Indiana, where he coached several championship teams, came to Waukegan faced with the problem of forming a team from two returning lettermen and his own son, a sophomore who had already won his letter on the New Castle team. As the season progressed, the Bulldogs mowed down all opposition. Some of the Bulldogs' victims were West Rockford, Dundee, Horace Mann of Gary, Moline and Morton's mighty Mustangs, whom the Bulldogs whalloped twice. When the season ended the Bulldogs were at the top of the heap, co-champions of the Suburban League along with Morton of Cicero.

Tip-off Banquet Sets Things Up

Waukegan's basketball fans got their glimpse of the Bulldog squad when a "Tip-off" banquet was held in their honor in the high school cafeteria. During this banquet the crowd was addressed by Mr. Willis, head of Illinois Athletic Association, and by Bill Chandler, head basketball coach at Marquette. Preceeding the banquet an open house was held in the gym where the crowd watched the Bulldog squad practice.

New Bleachers Installed

Just before the basketball season started new bleachers were added to Waukegan's gym. These bleachers were of thee rollaway type and added a seating arrangement for about five hundred more fans.

Also new to Waukegan fans were reserved seats. Before the season started a fan bought his season ticket which had a seat number on it. The person kept this seat throughout the season. This idea eliminated all seating confusion.

The Waukegan fans really got behind the Bulldogs this year, for records in attendance were set in both football and basketball games. The crowd attending the Oak Park football game broke the previous record and the crowd at the Morton basketball game did the same. Then when the seasons were over and the totals were tabulated, another record was put into the books.

Nice going, Bulldog fans!!!

New Year's Tourney Here

On New Year's day an invitational basketball tournament was held in the Waukegan gym. This was the first year Waukegan had ever sponsored such a tournament and it proved very popular as you could tell by the huge crowds attending.

Dundee, Freeport, and Thorton of Harvey were the teams invited by Waukegan to participate.

The Freeport team turned out to be the winners by upsetting Waukegan and then trouncing Dundee, who had beat Thorton.

The scores of the games were Freeport 31, Waukegan 23; Dundee 57, Thorton 37; and Freeport 41, Dundee 20.

An artistic trophy was presented to the basketball squad by the Waukegan City Club at a banquet honoring the boys and held at the Country Club shortly after the season's close. It was the first of its kind to be presented to our 1945 Bulldogs in recognition of their winning the Suburban League co-championship. Pictured at right are: Coach Allen, Dave Allen, center; "Dumbo" Shea, guard; and Johnny Pucin, forward; all admiring the coveted trophy.

Bulldogs Share Suburban League Crown

Coming as a climax to Waukegan's brilliant basketball season was the Regional Tournament, held again in the Waukegan gym. The tournament this year proved more of a success than ever, for the attendance record, made at this four day stand, was second high in the state.

The surprise team of the tournament was Niles, (Skokie) who won the tournament by defeating Waukegan in the championship game. Waukegan had defeated Maine (Des Plaines) and New Trier in advancing to the final game.

MANY STARS ON TEAM

Several boys on the squad should receive special mention. First of all Dave Allen, whose basket-shooting and re-bounding led the Bulldogs to several victories. He was also second in scoring in the Suburban League along with being nominated on the all-suburban team.

Next we have "Dumbo" Shea, who has also won a much deserved place on the All-Suburban team, and Captain Johnny Pucin's fine floor game formed an air-tight defense as the records show. Waukegan had the best defensive record in the Suburban League holding the opposing teams to an average of 28 points per game. Bob Jones, John Schad, Jimmy Elsbury, and Bob Runyan formed the forward wall for Waukegan and their consistant sniping pulled many games out of the fire for the Bulldogs.

Several games on the schedule are worthy of special attention. In the past 20 years we have beaten Morton no more than three of four times. This year the Bulldogs turned the tables and whipped Morton twice, their only two defeats in Conference play. Among the victims of the Bulldogs were the powerful Moline Plowboy quintet which was rated among the best of the state all season, Horace Mann of Gary, rated along with the best in the state of Indiana. Last, but not least, was the 5 to 3 victory of the Bulldogs over the Wildkits of Evanston. This game was much debated and received nation-wide notice.

Looking forward to next season, the Bulldogs will welcome the return of three lettermen, who along with members of the sophomore squad will form another Bulldog "Fighting Five". Keep up the good work. We're proud of you!

The Basketball "Big Three" of W.T.H.S. are Coaches Allen, Singer and Fortier. Their combined efforts produced the most eventful basketball season Waukegan has ever seen. To them we extend our gratitude and thanks for a job well done. Left to right, above, are: Leo Singer, Frosh-Soph coach; "Strings" Allen, Varsity Mentor; and Jean Fortier, Frosh coach.

A beautiful plaque presented by the Waukegan Kiwanis Club at a banquet given for the boys and their girl friends, designates the annual most valuable player award. Bob "Dumbo" Shea, All-Suburban guard, was selected by the team's vote as the first player whose name is to be inscribed on the plaque. Coach Allen and Shea are shown above admiring the plaque.

Frosh - Soph and Freshman Basketball

Although their season of 7 victories and 9 losses is not too impressive of a record, the Puppies, under the able leadership of Leo Singer, showed plenty of fight and a lot of teamwork. Their main downfall was the lack of consistent basket-shooters, the result costing them many games which they otherwise would have won. The Suburban League was the jinx this year where they suffered all nine defeats. Non-league competition was no puzzle for them where they defeated teams like West Rockford's sophs, who were eventually champions in their league.

Several boys from this squad will be candidates for next years' Varsity. These probably will be Ray Van Landuyt, Dick Peterson, John Simcic, George Clark, Curtis Christian, Jim Blumberg, and Bob Grobelch. All these lads showed lots of promise and with a little more experience under their belts will form a team that is going to be up scrapping for the Suburban League title.

Trulty one of the greatest freshman teams ever to come out of W.T.H.S. was Coach Jean Fortier's "Toy Terriers", who captured 14 straight victories. Although a bit rough around the edges at the beginning of the season, they steadily improved, and at the end of the basketball year, were a smooth working team. Consistent fight, good defensive and offensive play along with steady, accurate ball handling kept them on the road to victory.

Here we will mention only a few of the standouts as all of them played a big part in the success of the team. Gugala, Tennyson, Mirretti, Savage and Brisineo bore the brunt of the attack. Their aggressiveness kept all opposition "back on their heels". We'll close by saying "Good Luck, Freshmen. We'll be watching for you in the years to come."

VARSITY

Waukegan's cindermen under the direction of Coaches Fields and Brown had an eventful season winning 3 meets and losing 2. They placed 3rd in the county and fifth in the state. Holding the spotlight at W.T.H.S. was Bob Corbett, County Champion in the 100 yard and 220 yard dashes. In the state he was second only to Tom Baswell of Evanston. The highlight of his career was setting a new Lake County record in the 220 yard dash, running it in 22 seconds flat. Worthy of mention is the relay team, composed of Christian, Schwartz, Whiteleather, and Corbett, who tied for 3rd down at Champaign.

FROSH-SOPH

Although they didn't have an impressive season, the frosh-soph team showed lots of promise. A few boys, who would ordinarily be on the squad, ran in Varsity events.

Several boys on this squad showed they had talent that was undeveloped. Don Bairstow in the dashes, Al Brownfield in the high jump, and Jack Lux in the hurdles revealed Varsity prospects for next year with a number of Varsity stars missing. These boys will have to fill their shoes. We are sure they can do it.

Morley's Tankmen Set New Records

It has been said by Coach Morley that this was the best season the Waukegan Mermen have seen in many a year. The Mermen swam ten meets, winning six, losing two, and tying two. There were three school records broken this year, the 220 yard relay, the 150 yard, medley relay and the 50 yard free style.

The swimming practice started in September, a short time after school opened, and in this way the boys were in the pink of condition when the date for the first meet rolled around.

The most outstanding trip the team made was to Horace Mann High of Gary, Indiana. There was a lot of excitement about this trip, because of the fact that Dr. Trump had just left Horace Mann. The basketball team had played them previously and won, and the swimming team had to live up to Waukegan's standards. They did! They swamped Horace Mann 42-24. Waukegan took firsts in all but one event and seconds in all but three. The boys of Horace Mann said Waukegan was the fastest school they had ever met.

The first record broken was the 50 yard free, broken by Bill Leatherman in the dual meet with Evanston. The time was changed from 25.9 seconds to 25.7 seconds. The second record broken was the 150 yard medley swam by Henry Warnecke, Jack Fries and Bill Leatherman. This record was broken twice, first in a dual meet with Kenosha, which changed the time from 30.9 seconds to 29.9 seconds. The second record was broken in a dual meet with New Trier in which the time was changed from 29.9 to 28.5. The third record broken was the 200 yard relay. Henry Warnecke, Jack Fries, Mel Fredbeck, and Bill Leatherman swam.

Revive Interest In Golf at WTHS

The first varsity golf match against Morton began a new era for Waukegan linksmen. For the past five years the Bulldogs had not been represented in the greens game. The overwhelming defeat of a fighting Morton aggregation showed that Golf had again returned to the list of Bulldog sports. A glance at past records shows that Waukegan has always been well represented in this field. In 1928 Alex Drinka won the State singles title. Subsequent teams have taken suburban and district match play titles.

This year's team was ably coached by Stanley "Biff" Tomkovikc, who gave generously of his time to build a strong Bulldog links team. Two three-strike putts on the eighteenth green told the tale as Waukegan lost a heartbreaker to McHenry, last year's runners-up for the State title, 9-6. The Waukegan boys were led by their mighty mite and captain, Pat Rouse, who blazed home with a brilliant 78.

The first team to feel the full fury of rebounding Bulldog onslaught was Highland Park. The Bulldog attack was spearheaded by Harry Smith, who fired a sparkling 80 over the tough Glen Flora links as Waukegan won a decisive 9-6 victory. The other members of the Bulldog Big Four are the long distance hitters, Al Smith and Joe Dodich, who have consistently scored around 85-90. Rouse, Dodich and the two Smiths are the nucleus upon which the team is built. Contesting for the No. five spot are Rudy Grum, Bill Pucin, Jack Charron and Don Hoffman.

In a practice match a strong reserve squad made up of Jack Charron, Bill Pucin, Manley Zanco, Louis Vasseur and Don Hoffman, decisively defeated Zion-Benton. Next year's squad based on the big four and other returning lettermen should be a major power in State prep golf circles.

1944 Baseball Nine A Strong Combine

Coach Grosche's Varsity baseball team had a very successful season last year as they won 13 games and lost 6. The team this year should be somewhat weaker as there will be only a few veterans back.

The local nine finished second in the Suburban League with 5 wins and 5 losses. Morton of Cicero finished first with 9 triumphs and only one defeat.

Among some of the outstanding teams the varsity nine defeated were the Great Lakes Service team, Proviso, winner of the Oak Park Sectional Baseball Tournament, and State Champions, and Evanston, winner of the Waukegan District Tournament.

RESULTS OF THE 1944 BASEBALL SEASON

G.A.A. Sponsors Varied Seasonal Activities

To stimulate interest in girls' athletics and to promote ideals of health and sportsmanship—that is the creed of the Girls' Athletic Association.

Next year or maybe sooner, G.A.A. members will be asking each other, Do you remember:

Those sunny afterschool workouts at Weiss Field in soccerball?

The bike hike that Mary Ano, Doris Nibbe, Sophie Ulicki, and Dorothy Wirda went on *alone?*

The thrilling games in volleyball between the Feelions, Commandos, and the Seabees?

Florence Pavelik working hard on the Penny Carnival?

Carol Robbins and her latest gossip at the volleyball games?

"Aquatic Fantacies" presented by the Dolphin Club?

The thrill of receiving state and school awards?

The famous team, the Bouncing Bees, winning the basketball tournament?

Mrs. Reid teaching the girls the fundamentals of social dancing?

Eleanor Rogala making all those strikes at the Park Bowling Alley every Monday?

The hike up to Bowen County Club way last fall when everyone ate their lunch around or in the empty swimming pool.

The reigns of leadership in the club were held by Marge Paveglio, as president; Shirley Hardcastle, vice-president; Sophie Evans, secretary and treasurer. To assist the officers and the sponsors, Miss Mary Gorishek, Mrs. Reid, and Miss Kathleen Randolph, a board of

directors was organized and was as follows: Mary Ano, Carol Robbins, Shirley Parnell, Eleanore Rogala, Carol Schulz, Mary Louise Morley, and Dorothy Warmann.

Aquatic activities, including the regular swimming courses, the annual water show, sponsored by the Dolphin Club, weekly recreational hours of swimming were directed by Miss Kathleen Randolph.

To help in the development of sportsmanship, team and individual sports such as basketball, volleyball, soccerball, softball, and archery were held the first semested by Mrs. Reid and the second by Miss Mary Gorishek.

Meetings were held monthly in the girls' clubroom with the president, Marge Paveglio, presiding. Interesting programs and refreshments were presented at these meetings by the program chairman of that month.

Next year a club council system will be put into effect. All girls interested in sports will be eligible to represent their homeroom. By this method the girls at W.T.H.S. will be better informed about the activities and functions of the G.A.A.

Every organization in school is helping out in the war effort. The G.A.A. is not one to be slighted, for she is not only helping in the development of better citizens, but even has contributed money for war bonds and has donated food to the U.S.O.'s in town.

This year the G.A.A. and Girls' League sponsored the annual Penny Carnival on October 21. G.A.A. and Girls' League members worked hard to make this years' the best. The gym was lined on both sides with concessions; the Dolphin Club presented three shows during the evening; and many booths such as "Bingo". "Bean Bag", and "Penny Toss" were thronged by the gay crowds of young people. Florence Pavelick was the G.A.A. general chairman.

The G.A.A. was a stirring organization. Something was always going on for its members throughout the whole week. Mondays it was bowling; Tuesday and Thursdays, team or individual sports; and on Wednesdays and Fridays, life saving. Hikes were planned, both on bike and on foot, out to Bowen Country Club, the Dunes, and out into the country. Many of the members took an active part in the water show, Aquatic Fantacies, this year. The Dolphin Club, a branch of the G.A.A., sponsors the show annually. This year it was held on April 27 and 28. Joanne Weakly, the club's president, was general chairman of the affair. The show was entirely originated by the girls themselves. Members of the swimming team also took part. The Six New Yorkers, Du Oasis, the Diving, and Strang Music scenes were the highlights of the evening.

In life everyone has a goal to attain. So have the members of the G.A.A. and there is state and school awards. To acquire a award each girl has to fulfill so many practices in a certain sport and has to have a collection of health points monthly. The first school award is the pin which requires 50 activity points and 50 health points, the second, school numerals, 500 hundred activity points and 100 health points, the last is the "W", 1000 activity points and 200 health points. Since the club is a state organization, two awards are given by the state. The highest of the two is the state emblem which requires 1600 activity points and 400 health points; next is the state "I", 1300 activity points and 300 health points.

Girls who received these awards are:

State "I": Marge Paveglio.

School "W": Mary Ano, Eleanor Rogala, Carol Robbins.

Cast of WATER VISIONS — 1944

Annual Water Show Is Season Climax

Water Visions—1944

The 1944 school year was climaxed with the annual water show called *Water Visions* . It was sponsored by the Dolphin Club and was directed by the president, Barbara Benson. On Friday, May 12, the first performance opened with all the realism of the underwater world. It began with the traditional "W"; then the talents of the swimmers were executed through beautiful ballets, duos, trios and a quartette. Also that ever popular sport of diivng was performed by Norma McHoes, Ida Mae Svete, Margie Paveglio, and Normie Gray. The underwater world closed its doors on Saturday, May 13, with the skillful Dolphin Ballet. „ ,

With all around hard work, including two boys of the swimming team, Melvin Fredbeck and Normie Gray, and the able assistance of Miss Mary Gorishek and Miss KaKthleen Randolph, Water Visions of 1944 was a great success. , , ,

Aquatic Fantasies—1945

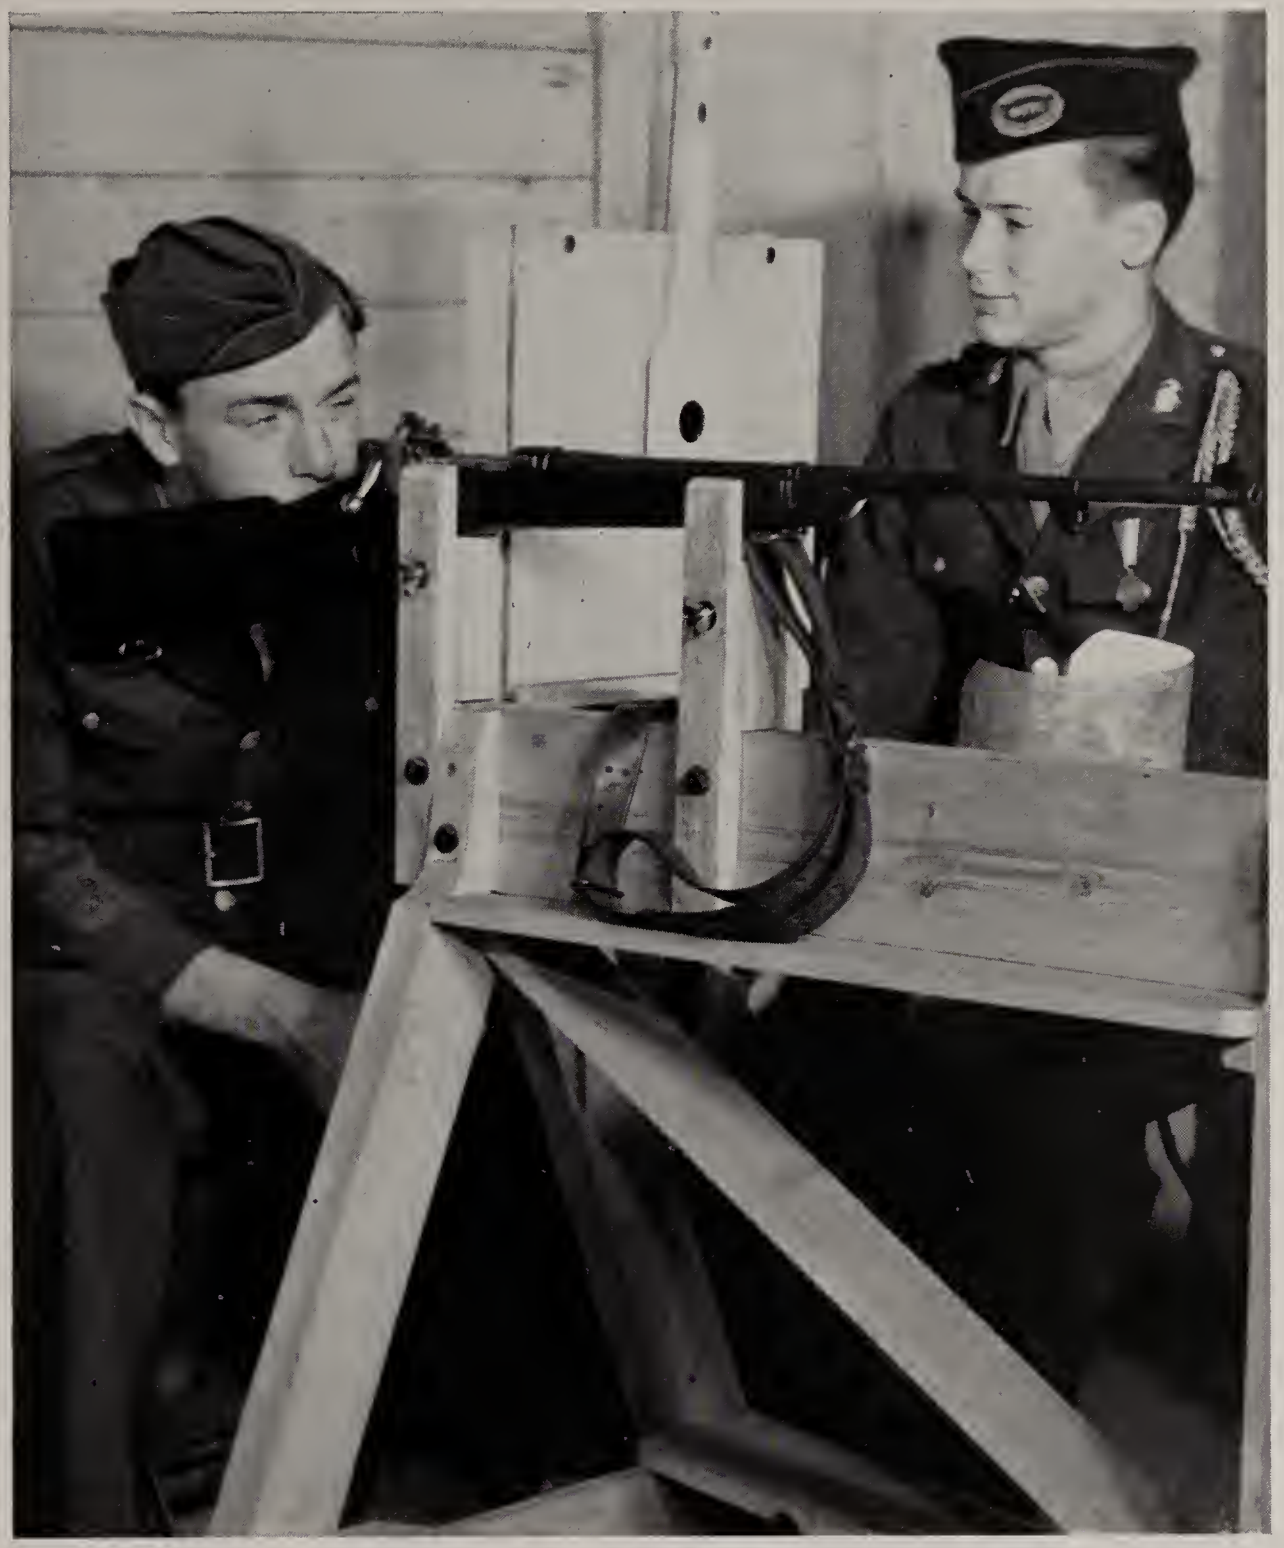

The annual water show, entitled Aquatic Fantasies, was presented April 27 and 28 in the W.T.H.S. pool by the Dolphin Club. Not only were the members of the Dolphin Club participating but even members of the swimming team and girls interested in swimming. The girls and boys were working under the expert guidance of Miss Kathleen Randolph, swimming instructor, to make it the best show possible.

Dorothy Warmann, Shirley Hardcastle, Catherine Pentoloe, Phyllis Crabb, Carol Schulz, Mary Brown, Joanne Weakly, Mary McManaman, Dagmar Christenson, and Shirley Winding had originated scenes that were enjoyed by everyone attending. A diving exhibition was performed by Marge Paveglio, Catherine Penteloe, Carol Schulz, and Richard Emmerich.

Members of the swimming team who were participating in the show were Frank Kelly, Larry Jenewein, and Bill Leatherman. In addition to the girls previouslv mentioned the following girls took part also: Joan DuBois, Gerry Gilitzki, Rosemary Gordon, Kathleen McShane, Shirley Parnell, Eleanore Rogala, Barbara Western, Audrie Wilkins, Janice Dibble, Lorraine Goodwin, Anne Reutlinger, Betty Roth, Carol Palbicke, Goldie Paparigian, and Joan Reckerdorf. Aquatic Fantasies was an excellent show of skills, talents, and considerable practice.

The Dolphin Club

Splash! Splash! These sounds are coming from the swimming pool. As we peak around the door, we see a beautiful dive—ah, yes, it's the president of the Dolphin Club, Joanne Weakly. The sponsor of this up and coming club is Miss Randolph. This organization's secrteary-treasurer is Mary Brown. The purposes of this club is to promote swimming for protection and enjoyment. To be a member of this group a girl must pass lifesaving. Then they must be 'voted in" by the other members. One of the biggest parties of the year was the Splash Party. The girls asked the boys for this gala event and everyone had a super time. After the swim everyone enjoyed a dinner. The biggest event was the Annual Water Show.

Reserve Officers Training Corps

COLOR GUARD, left to right: 1st Lt. John Nolan, Sgt. Fred Scheske, Tech. Sgt. Donn Robbins. Staff Sgt. Gilbert Beatty, Sgt. Bob Anderson.

Our Honored Color Guard

ROTC boys consider it a great honor and distinction to be a member of the Color Guard. The squad is picked from the entire R.O.T.C. and they must be outstanding in Military Training. They take part in all school assemblies, military ceremonies, P.T.A. meetings, and parades.

ROTC Takes On New Significance

UNDER the supervision of Captain Mark E. Herbst, Professor of Military Science and Tactics, and with the assistance of Master Sergeant John Holly, the R.O.T.C. this year has become more important and necessary than ever. The great war has given a new emphasis to the military training of youth.

The training of a cadet includes rigid instruction in such subjects as company and platoon drill, commando exercises, map reading, rifle marksmanship, and army organization.

Lieutenant Colonel Melvin Fredbeck was the Regimental Commander for the first semester. His staff included First Lieutenant Robert Stevens, Major George Sides, Captain Allen Smoot, and 1st Lt. Joseph Beres.

Lieutenant Colonel Charles Grosche was Regimental Commander for the second semester. His staff included Major Bernard Machak, Major Charles Franz, Major Joseph Beres, Major John Matijevich, and Major Allen Smoot.

The Annual Federal inspection this year was held late in May. This inspection determined whether or not Waukegan will remain an Honor High School, a distinction it has held during 18 of the last 20 years. The red star worn on the right sleeve of the uniform of each cadet stands for excellence.

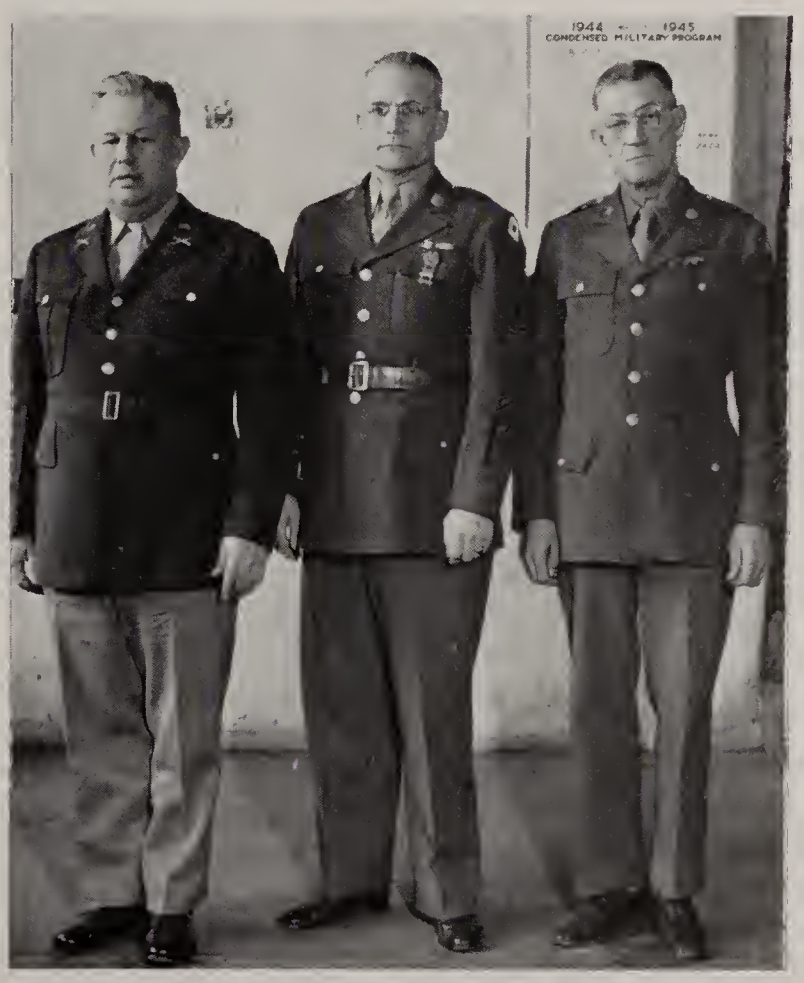

M/Sgt. Holly, after thirty years of service in the army, is receiving his retirement. He has spent twenty-one years as R.O.T.C. instructor in Waukegan.

His duties at W.T.H.S. began in 1924. The Waukegan ROTC has been credited as an honor school in eighteen of the last twenty years. M/Sgt. Holly has tutored the Rifle Team to huge success. In 1925, 1926, and 1927, W.T.H.S. won the Hearst National Trophy for rifle marksmanship. In 1929, the rifle team won the district rifle championship. They captured highest honors in the 6th Corps Area Rifle Match over all schools in Illinois, Wisconsin and Michigan in 1933. The team placed 2nd in the corps area match in 1936 and 3rd in 1938. This year the team placed 5th.

Besides coaching the ROTC rifle team, M/Sgt. Holly has directed the Drill Platoon to success. This platoon executes nine hundred counts of silent drill. M/Sgt. Holly has accompanied this platoon to exhibitions in Joliet, Antioch, Kenosha, Lake Forest, and many other schools.

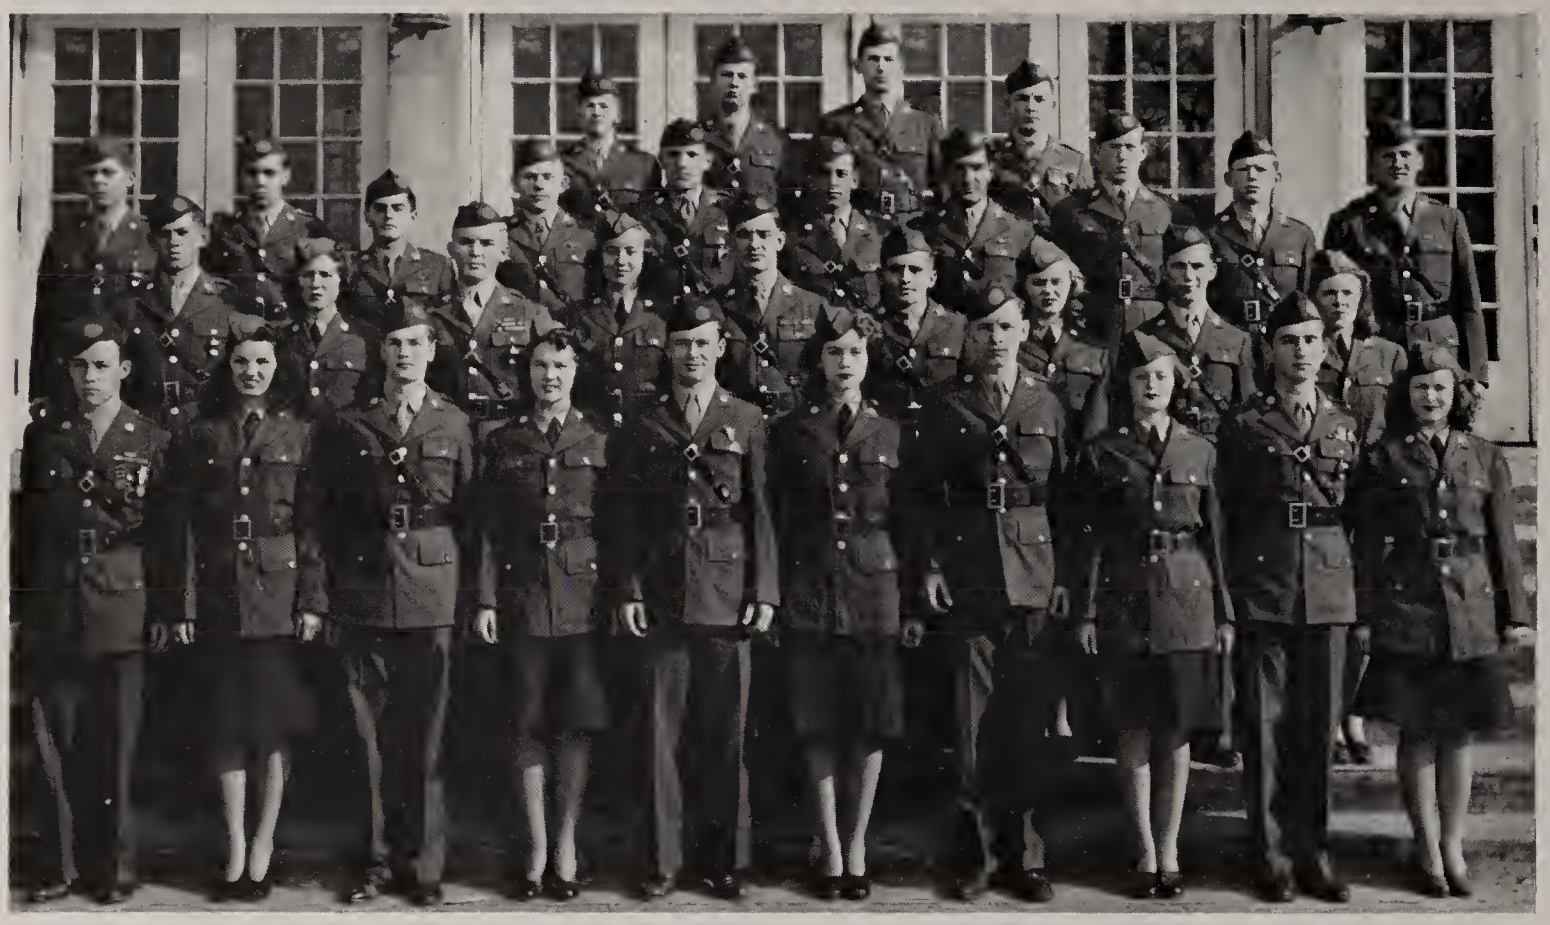

The success of the ROTC regiment as a whole is greatly attributed to the work of M/Sgt. Holly. He has emphasized the importance of military training to the cadets each year. Many servicemen have returned to thank him for the training he had given them.

Replacing M/Sgt. Holly will be S/Sgt. Ebber D. Easter, who has had twenty-five years of service. Before coming to W.T.H.S. S/Sgt. Easter was assigned to the University of Wisconsin ROTC for a period of five years.

Cadet Officers Get Leadership Training

THE R.O.T.C. officers are responsible for the discipline, drill, and the theory instruction of the entire unit. There are three theory classes each week and the cadet officers are in complete charge. They also instruct the cadets in the rifle and foot drill.

Each Wednesday from 8:00 until the end of homeroom period, all the officers meet in the classroom for a conference supervised by the instructors, S/Sgt. Easter, Sgt. Biggs, and Professor of Military Science and Tactics, Captain Herbst. The manner of drill and the various faults found theprevious week are discussed at this meeting. Social activities sponsored by the R.O.T.C., as the Military Ball, are also discussed here. The officers also have frequent training in giving the regulation commands.

This year the officers successfully handled contributions from the cadets which was used to purchase the honorary officers' uniforms and the traveling equipment presented to M/Sgt. Holly. They also presented a watch to Sgt. Holly in appreciation of his fine record of service as ROTC instructor.

It can be said that the officers this year worked diligently. They were a credit to their unit and set a good example for the officers of next year to follow.

FIRST SEMESTER HONORARY OFFICERS: ROW 1: Cadet Captain Florence Pavlik, Co. E; Cadet Captain Jacqueline Petter, Co. C; Cadet Captain Mary Lou Rudolph, Co. A; Cadet Major Betty Huber, 1st Battalion; Honorary Cadet Lt. Colonel Shirley Smith; Cadet Major Norma June McHoes, 2nd Battalion; Cadet Captain Marilyn Strang, Co. B; Cadet Captain Barbara Smith, Co. D; Cadet Captain Joyce Carel, Co. F.

A UNIT of Honorary Girl Officers was established at W.T.H.S. last fall. At the beginning of each semester the election of Honorary Officers is held. The Senior homerooms vote for the girls they think are worthy of the honor; then the 18 girls receiving the highest number of votes are asked to bring their photographs to the Military Office. These are posted on the bulletin board for several days so that each cadet can see the candidates. Now comes the final election; each cadet may vote for nine girls, but not for the same girl more than once. The votes are tallied, and the girl receiving the most votes becomes Lt. Colonel, the next two highest are Majors and the next six are Captains. In this way the nine most popular girls are elected.

They are then outfitted with the regulation army uniforms which you see them so proudly wear several days a week. They are taught how to return the salutes rendered them by the cadets, how to march, proper procedure at ceremoniees, and other important details.

Several of the girls become proficient shots with the Springfield 30 caliber rifles. Among these were Shirley Smith, Jackie Petter, Joyce Carel, Norma June McHoes, Gloria Mayer, and Florence Pavlik.

They also helped on plans and the actual work for the Military Ball. Some of the hard working lassies were Gloria Mayer, Jill Woodward, Peggy Boatright, Betty Philipps, Mary Lou Thomson and Florence Pavlik.

In the second semester nine new girls were elected from the new Senior A's. A number of new ideas were brought into effect this semester. Lt. Col. Charles Grosche ordered that the girls should attend officers meetings every Wednesday. 1st Lt. Andy Josuweith taught the girls marching and commands once a week. They also took part in the Federal Inspection in May.

Militay Ball Highlights The School Year

THE Reserves Officers Training Corps of the Waukegan Township High School presented the Military Ball, April 14, 1945. The planning and the success of this affair is due largely to Cadet Captain Zaven Paparigian, general chairman, and his committees.

The patriotic effect was achieved by placing a large American Flag across the ceiling and red, white, and blue streamers surrounding the stage. Guards and checkroom attendants were of service and also added to the military effect with their cadet uniforms.

The guests of honor in the receiving line were as follows: Colonel Cushman, Dr. and Mrs. J. Lloyd Trump, Lt. Colonel and Mrs. Bradford West, Mr. and Mrs. C. E. Prichard, Miss Bess Dady, Miss Margaret Dady, Mr. and Mrs. Minard Hulse, M/Sgt. and Mrs. John Holly, Captain Forsythe, Captain Templeton, Captain Rasmussen, Cadet Lt. Colonel Charles Grosche, and Honorary Cadet Major Florence Pavlik.

THE Rifle Club is a branch of the military unit, and is open only to R.O.T.C. cadets. It is a follow up of one of the most important subjects taught in military—rifle marksmanship. At present there are twenty members in the club. The club members fire four nights a week after school and Saturday mornings. The rifles, ammunition, and targets are supplied by the government. The club is also open to all honorary officers, several of whom have become very proficient. The ten boys with the highest average are members of the rifle team, which has had shoulder-to-shoulder matches with St. Mel, Joliet, Onarga, and Rockford in addition to postal matches with Green Bay, Roosevelt High and St. Mel. The team has an almost spotless record this year, ranking fifth in the Hearst trophy match in the Sixth Corps Area. The club is sponsored by Captain Mark E. Herbst, and is coached by M/Sgt. John Holly and S/Sgt. Ebber Easter. The club officers are: Charles Grosche, president; Roy Morris, vice-president; Joe Beres, secretary; Bob Wentworth, treasurer; and John Nolan, executive officer. Sportsmanship and team spirit are the main purposes of this organization.

FULL REGIMENT IN PARADE FORMATION

ROTC Training Is Well Rounded

UPON entering the unit the new cadet is first assigned to a company and then he is issued a uniform. As he steps into his uniform he is given his rank as private.

The first steps in drill are then taken. The new cadet learns how to stand at attention, parade rest, and how to salute, do facings, and march. After he has become proficient in all these basic movements he is taught the manual of arms. This takes in the movements with the rifle while at a halt and while marching. Later, if the cadet progresses properly, he will be taught extended order drill and something of battle formations.

Another phase of his training is in theoretical work. Here, under the tutelege and guidance of the cadet officers, he is taught many useful and important subjects. They include courtesy and discipline, military policy, sanitation and first aid, rifle marksmanship, map reading, military organization, infantry weapons, scouting and patroling, and other equally important topics.

Thus we can easily see that in the single period a day that each cadet has military he is kept usefully employed.

In the process of training a cadet there are innumerable technical data and skills that must be imparted. The young officers must first master the details themselves before they can hope to do an efficient job of transmitting the information to their subordinates. World War II has revealed many new technical problems that must be incorporated into the cadet's curriculum. Map reading and rifle marksmanship are skills that have been given renewed emphasis. They have long been regarded as basic essentials, but the War has tended to make them of first importance.

During the company drill period, cadet officers take full charge of the instruction and drill of the cadets and thus acquire valuable training. Every officer is fully responsible for the performance of the cadets placed under his charge. Any failure on the cadet's part is regarded as the responsibility of his leader. An officer who cannot achieve some degree of success, who fails to correct the mistakes of his men, who cannot lead the element in his charge with discipline and order, is a failure and is soon removed. Discipline is a prime necessity in military life and without it no unit can succeed.

Drill Platoon Strives Toward Perfection

The Drill Platoon is a voluntary organization. The cadets report for drill at 8:00, four mornings a week. Their 8-8-4 count drill without commands is the regular type movement. Each movement executed is in the cadence of 120 counts per minute. The Bute's manual in riflle calisthenics, which are very strenuous to execute is regulation.

To vary the drill a bit, Marine drill is taken up. This is by command. There may be a sequence of commands or individual commands. The cadets do not know what command may be coming so they must be wide awake and clear thinking. One cadet making a mistake ruins all the hard work of the entire platoon.

Due to the war causing transportation difficulties, the platoon was not able to drill against similar organizations of other schools. Also, non-competitive exhibitions are given at other schools during normal times. Our school has made a fine showing in its exhibitions this year.

Shirley Temple

Says:

"A Red Cedar Hope Chest Is the Dream-Come-True Gift for Graduation!"

SHIRLEY TEMPLE
Co-starred with Ginger Rogers and Joseph Cotten in the Selznick International picture
"I'LL BE SEEING YOU"

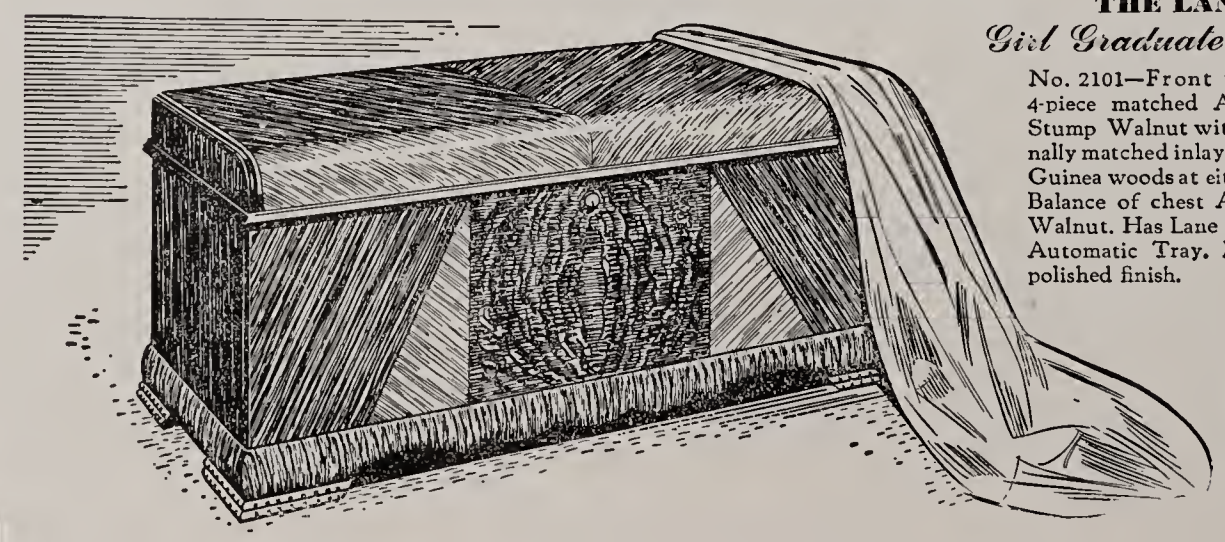

For Today's Girl Graduate...

GLORIFIED GIFT OF HER HEART'S DESIRE

A LANE CEDAR HOPE CHEST

IN HER secret heart, every girl longs for a hope chest to keep the precious things she is saving for her future home and happiness. This glorious custom, old as romance itself, is fulfilled today in the most popular of all gifts for girl graduates . . . the Lane Cedar Hope Chest.

Distinguished workmanship—gorgeous veneers that can never peel or loosen because they are applied with the exclusive waterproof, Lane-welded process—the only aroma-tight chest in the world—free moth insurance policy written by one of the world's largest insurance companies . . . these are but a few of the many features of Lane Cedar Hope Chests. So, parents, sisters, brothers — insist on genuine LANE!

THE LANE
Girl Graduate Special

No. 2101—Front panel of 4-piece matched American Stump Walnut with diagonally matched inlays of New Guinea woods at either side. Balance of chest American Walnut. Has Lane Patented Automatic Tray. Rubbed, polished finish.

SUMMER JOBS

Last year more than a hundred high school students and teachers, and graduates expecting to continue their studies in the fall or awaiting their call to Service, spent their summer vacation helping produce materials for war at our Waukegan factory. They gained valuable experience while earning money.

This year we hope twice as many will come to work in the plant during the summer months.

If you are sixteen or older and will have spare time this summer, drop around at our employment office at the plant to learn what kind of a job we have open for you.

Instructions — Instruments — Sheet Music

As our eyes wander through the roster of the 3,576 names listed in the service Honor Roll of this year's Annual "W", we pause with pride and admiration, and reflect back to years, not so long ago, when many of these same boys were "Little Business Men" of our organization. We feel that they have had a *very definite* part in the building of this partnership . . . We now see them as young men with another *very definite* job to do — one that is universal—for ever-lasting peace. Our gratitude and confidence go with them to VICTORY.
